Forster,2000-11-01 Selected by the Modern Library as two of the 100 best novels of all time To me D H Lawrence once wrote to E M forster you are the last Englishman Indeed Forster s novels offer contemporary readers clear vibrant portraits of life in Edwardian England Published in 1908 to both critical and popular acclaim A Room with a View is a whimsical comedy of manners that owes more to Jane Austen than perhaps any other of his works The central character is a muddled young girl named Lucy Honeychurch who runs away from the man who stirs her emotions remaining engaged to a rich snob Forster considered it his nicest novel and today it remains probably his most well liked Its moral is utterly simple Throw away your etiquette book and listen to your heart But it was Forster s next book Howards End a story about who would inhabit a charming old country house and who in a larger sense would inherit England that earned him recognition as a major writer Centered around the conflict between the wealthy materialistic Wilcox family and the cultured idealistic Schlegel sisters and informed by Forester s famous dictum Only connect it is full of tenderness towards favorite characters Howards End is a classic English novel superb and wholly cherishable one that admirers have no trouble reading over and over again said Alfred Kazin *A Room with a View Illustrated* E M Forster,2021-05-22 Howards End is a novel by E M Forster first published in 1910 about social conventions codes of conduct and relationships in turn of the century England Howards End is considered by some to be Forster s masterpiece 1 The book was conceived in June 1908 and worked on throughout the following year it was completed in July 1910 2 In 1998 the Modern Library ranked Howards End 38th on its list of the 100 best English language novels of the 20th century **Howards End** Edward Morgan Forster,1921 The disregard of a dying woman s bequest a girl s attempt to help an impoverished clerk and the marriage of an idealist and a materialist all intersect at an estate called Howards End The fate of this country home symbolizes the future of England in an exploration of social

economic and philosophical trends during the post Victorian era      **A Room with a View and Howards End** E. M. Forster,1986-02-04 Wit and intelligence are the hallmarks of these two probing portraits of the English character written by E M Forster Both are stories of extreme contrasts in values social class and cultural perspectives Romantic relationships lead to conventional happiness in the delightful social comedy A Room with a View and to unexpected scandal in the richer deeply moving novel Howards End Howards End which rivals A Passage to India as Forster s greatest work makes a country house in Hertfordshire the center and the symbol for what Lionel Trilling called a class war about who would inherit England Commerce clashes with culture greed with gentility A Room with a View brings home the stuffiness of upper middle class Edwardian society in a tremendously funny comedy that pairs a well bred young lady with a lusty railway clerk and satirizes both the clergy and the English notion of respectability Quintessentially British these two novels have become twentieth century classics With an introduction and bibliography by Benjamin DeMott      **E.
