Lone Star James McLure Script:

Lone Star James McLure, 1980 THE STORY The play takes place in the cluttered backyard of a small town Texas bar Roy a brawny macho type who had once been a local high school hero is back in town after a hitch in Vietnam and trying to reestablish his position in the community Joined by his younger brother Ray who worships him Roy sets about consuming a case of beer while regaling Ray with tales of his military and amorous exploits Apparently Roy cherishes three things above all his country his sexy young wife and his 1959 pink Thunderbird With the arrival of Cletis the fatuous newlywed son of the local hardware store owner the underpinnings of Roy s world begin to collapse as it gradually comes out that Ray had slept with his brother s wife during his absence and horror of horrors has just demolished his cherished Thunderbird But despite all the high good humor of the play never lapses and all ends as breezily and happily as it began *The One-Act Play Companion* Colin Dolley, Rex Walford, 2015-01-30 Surveying the work of over 250 playwrights this guide covers multiple styles nationalities and periods Guidance on performing and staging one act plays is also covered as well as contact information and where to apply for performance rights It includes a chapter introducing the history of the one act play rounds **1/2/3/4 For the Show** Lewis W. Callan, 1998 I Don't Need an Acting Class Milton Justice, 2021-11-01 I Don t Need an Acting Class explores critical aspects of the technique of acting utilizing conversations via email with countless actors Some are aspiring students others are seasoned professionals The conversations document the challenges these diverse actors face as they digest what they have learned in a class or rehearsal while exploring in practical terms how to use their growing technique Milton Justice first began receiving emails from actors in 2008 In this book Justice brings together email conversations between teacher and

student along with observations and commentary about acting technique and craft Not all of the emails in the book are overly thought out or complete Quite the contrary they are meant to capture the feeling of a living breathing process as it happens When an actor sends a teacher or director an email with a problem be it a simple comment or confusion it is evidence of a creative artist exploring new ground Many years ago Stella Adler sent Justice a letter in response to a panicked note he had written to her while lost in the weeds during rehearsals for a new play She set a tone for him as she succinctly defined the problem and reminded him of its elegant solution He was overwhelmed by the care she had given him That letter still hangs over his desk perfectly demonstrating the power of a written exchange between a teacher and a student **In Gad We**
