My Friend Leonard:

My Friend Leonard James Frey, 2005-06-16 Perhaps the most unconventional and literally breathtaking father son story you ll ever read My Friend Leonard pulls you immediately and deeply into a relationship as unusual as it is inspiring The father figure is Leonard the high living recovering coke addict West Coast Director of a large Italian American finance firm read mobster who helped to keep James Frey clean in *A Million Little Pieces* The son is of course James damaged perhaps beyond repair by years of crack and alcohol addiction and by more than a few cruel tricks of fate James embarks on his post rehab existence in Chicago emotionally devastated broke and afraid to get close to other people But then Leonard comes back into his life and everything changes Leonard offers his son lucrative if illegal and slightly dangerous employment He teaches James to enjoy life sober for the first time He instructs him in the art of living boldly pushes him to pursue his passion for writing and provides a watchful and supportive veil of protection under which James can get his life together Both Leonard s and James s careers flourish but then Leonard vanishes When the reasons behind his mysterious absence are revealed the book opens up in unexpected emotional ways My Friend Leonard showcases a brilliant and energetic young writer rising to important new challenges displaying surprising warmth humor and maturity without losing his intensity This book proves that one of the most provocative literary voices of his generation is also one of the most emphatically human

The Life and Loves of Anda Halina A. Kensler, 2012-05-16 This is my story My name is Anda My husbands name is Stanley We have three children A boy and two girls who are almost grown We live in Krakow Poland We own a leather tanning factory This is a seasonal business July and August is vacation time at the factory We pay our workers to take a vacation For the last year or so I have been raising my family and managing the business by myself It has been very hard for me I never get any rest It seems like I am always busy taking care of the children or taking care of the business It was not always like

this There use to be a time when my husband ran the business and was very proud of his family and was a very good father
 My husband was very proud the day his son was born We named him Sebastian One day my husband took some seeds and
 planted an oak tree in front of our factory After he planted the seeds he said I want my son to be as tall and strong as an oak
 tree When the business was lax my husband would sit outside and watch the tree grow Today the tree is still there and very
 tall and strong This is beautiful token of remembrance for my son who is also tall My husband had become less and less
 interested in the business He has become obsessed with gambling and playing cards and partying with friends My husband
 has lost quite a bit of money playing cards He also spends a lot of money playing toto lotto One day my husband won the lotto
 and won back the money he had lost To be honest I believe my husband has lost interest in our marriage As for me all I have
 are my children and our business
