other's real identities and she was adamant that we keep things that way. Anonymity had no effect on our unstoppable chemistry though. If anything, it allowed us to open up even more in ways we may not have otherwise. Eden was funny, intelligent, gorgeous, everything I'd ever wanted in a woman. But I couldn't really have her. I had accepted things would have to stay the way they were until the day I found a clue that led me straight to her. So I took a chance. And that was when our love story really began.
