**Learn Java for Android Development** Jeff Friesen, 2014-02-23 Learn Java for Android Development Third Edition is an update of a strong selling book that now includes a primer on Android app development in Chapter 1 and Appendix C which is distributed in the book's code archive. This book teaches programmers the essential Java language skills necessary for effectively picking up and using the new Android SDK platform to build mobile embedded and even PC apps especially game apps. Android development is hot and many programmers are interested in joining the fun.
