XXXXXXX **Social Memory in Ex 16 and the Identity of Exilic/Post-Exilic Israel** Ogochukwu Daniel Onuorah, 2023-10-09 The destruction of the Temple and the humiliation of the exile not only shook the foundations of Israel s pride as God s chosen people but also brought about the danger of losing their identity as a people To survive this the people had to develop and highlight an identity reinforcing theology built upon the collective memory of their constitutive past Ogochukwu Daniel Onuorah applies the tools of the social memory theory to the exegetical analysis of Ex 16 an approach which necessarily entails both synchronic and diachronic inquiries In six chapters the author argues that the collective

memory of the manna experience as recounted in Ex 16 served as a socio theological tool of identity preservation in the difficult exilic early post exilic period Succinctly noted also are the implications of this for the discussion on the composition of the Pentateuch Visual Exemplars Jill Joshowitz,2025-11-08 Between the third to seventh centuries of the common era Jewish communities throughout the Eastern Mediterranean began to adorn their synagogues with figural illustrations inspired by the Hebrew Bible Although the Bible had long been the cornerstone of Jewish life it was only in late antiquity that its patriarchs prophets and heroes entered the Jewish visual lexicon Through careful consideration of the rich history of Jewish biblical interpretation alongside similar motifs in Near Eastern Greco Roman and Christian visual culture this book challenges the reader to consider the relationship between late antique Jewish biblical art synagogue rituals rabbinic teachings and exemplary paradigms **From the Fjords to the Nile: Essays in honour of Richard Holton Pierce on his 80th birthday** Pål Steiner,Alexandros Tsakos,Eivind Heldaas Seland,2018-02-28 From the Fjords to the Nile brings together essays by students and colleagues of Richard Holton Pierce b 1935 presented on the occasion of his 80th birthday Topics focus on Egypt the Near East and the wider ancient world The Art of Narrative Analogy Seth D. Postell,2025-11-04 In The Art of Narrative Analogy Seth Postell offers a literary approach for understanding the relationship between the two Testaments and between various biblical narratives that is more sensitive to the verbal meaning of the Old Testament than popular typological approaches He argues that narrative analogy the deliberate paralleling of characters events and themes across biblical texts provides a more exegetically responsible and theologically fruitful method for understanding the Bible s unity and depth Drawing on extensive examples from the Hebrew Bible and the New Testament Postell reveals how scriptural authors employ parallels to illuminate theological truths and deepen narrative coherence From the connections between Rahab and Lot to the analogies between Jonah and the calming of the storm in Mark s Gospel he shows how these parallels invite readers into the Bible s grand theological narrative Postell also integrates illustrations from modern storytelling such as Star Wars to demonstrate how analogy shapes meaning in both ancient and contemporary contexts Postell offers clear criteria for identifying narrative analogies and practical guidance for interpreting them making this volume an indispensable resource for students pastors and church leaders **Narrative in the Hebrew Bible** David M. Gunn,Danna Nolan Fewell,1993 After almost two centuries of historical criticism biblical scholarship has recently taken major shifts in direction most notably toward literary study of the Bible Much germinal criticism has taken as its primary focus narrative texts of the Hebrew Bible the Old Testament This study provides a lucid guide to the interpretive possibilities of this movement Attempting to be both theoretical and practical it combines discussion of methods and the business of reading in general with numerous illustrations through readings of particular texts Gunn and Fewell discuss how literary criticism is related to other dominant ways of reading the text over the last two thousand years In addition they address characters including the narrator and God plot modifying recent theory to accommodate the peculiar complexity of biblical

narratives and the play of language through repetition ambiguity multivalence metaphor and intertextuality Finally the authors discuss readers and responsibility exploring the ideological dimension of narrative interpretation An extensive bibliography completes the book arranged by subject and biblical text **Flannery O'Connor Review** ,2008 My First Encounter with an Angel Sidney Schwartz,1999-11 My First Encounter with an Angel is the first book of the Revelations of Ancient Wisdom AWAN Speaks series that will illuminate truths about how spirituality mediumship and prophecy have been hidden for centuries by Biblical translators and religious rulers AWAN the Angel Without A Name contacted the author Sidney Schwartz through the person of Carl Hewitt a well known trance medium Who or what AWAN is does not ultimately matter when you read and examine the incredible information that this entity is attempting to teach During their first encounter AWAN revealed to the author information about deliberate changes and alterations made in the Bible throughout the centuries based on the need of Church Fathers to suppress the psychic spiritual development of the masses The author however remained theologically adamant and argued with this angel It was then that AWAN challenged the author to disprove his teachings Using his skills as a librarian the author researched extensively studying over 160 versions of the Bible only to discover that AWAN was teaching the truth Upon reading this book you will begin to see that the Bible is saturated with metaphysical or mediumistic phenomena of every kind **Enlarging America** Susanne Klingenstein,1998-12 This study examines the gradual opening of American literary academe to Jewish faculty and analyzes the critical work Jewish scholars undertook to achieve their integration into an exclusive WASP domain *From Abraham to America* Eric Kline Silverman,2006 Silverman s new book is a comprehensive overview of Jewish circumcision throughout history Beginning with Genesis the author traces paradoxes and tensions in biblical Jewish circumcision as seen both within Judaism and from the dominant non Jewish culture and ends with the current debate over Jewish and routine medical circumcision in America This book is essential reading in Jewish studies medical sociology and Judaic studies theology **Index to Jewish Periodicals** ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *World Religions: Primary sources* Michael O'Neal,2007 Presents a guide to the major religions of the world The British National Bibliography Arthur James Wells,2000 *Religion Index One* ,1999 The Books of the Old Testament James Karl Hoffmeier,C.
