*"You are responsible for all terms in your Guided Reading Questions as well as the terms below."*

## Chapter 3: "Settling the Northern Colonies"

1. **Calvinism**—Dominant theological credo of the New England Puritans based on the teaching of John Calvin; Calvinists believed in predestination—that only "the elect" were destined for salvation
2. **predestination**—Calvinist doctrine that God has foreordained some people to be saved and some to be damned; though their fate was irreversible, Calvinists, particularly those who believed they were destined for salvation, sought to lead sanctified lives in order to demonstrate to others that they were in fact members of the "elect;
3. **conversion**—Intense religious experience that confirmed an individual's place among the "elect," or the visible saints;" Calvinists who experienced conversion were then expected to lead sanctified lives to demonstrate their salvation
4. **Puritans**—English Protestant reformers who sought to purify the Church of England; after initially settling in Holland, a number of English Separatists made their way to Plymouth Bay, MA in 1620
5. **separatists**—Small group of Puritans who sought to break away entirely from the Church of England; after initially settling in Holland, a number of English separatists made their way to Plymouth Bay, MA in 1620
6. **Mayflower Compact (1620)**—Agreement to form a majoritarian government in Plymouth, signed aboard the *Mayflower*; created a foundation for self-government in the colony
7. **Massachusetts Bay Colony (founded in 1630)**—Established by non-separating Puritans, it soon grew to be the largest and most influential of the New England colonies
8. **Great English Migration (1630-1642)**—Migration of seventy thousand refugees from England to the North American colonies, primarily New England and the Caribbean; twenty thousand migrants who came to MA largely shared a common sense of purpose—to establish a model Christian settlement in the New World
9. **antinomianism**—Belief that the elect need not obey the law of either God or man; most notably espoused in the colonies by Anne Hutchinson
10. **Fundamental Orders (1639)**—Drafted by settlers in the Connecticut River valley, document was the first "modern constitution" establishing a democratically controlled government; key features of the document were borrowed for Connecticut's colonial charter and later, its state constitution
11. **Pequot War (1636-1638)**—Series of clashes between English settlers and Pequot Indians in the Connecticut River valley; ended in the slaughter of the Pequots by the Puritans and their Narragansett Indian allies
12. **King Phillip's War (1675-1676)**—Series of assaults by Metacomb, King Phillip, on English settlements in New England; the attacks slowed the westward migration of New England settlers for several decades
13. **New England Confederation (1643)**—Weak union of colonies in MA and CT led by Puritans for the purposes of defense and organization; an early attempt at self-government during the benign neglect of the English Civil War
14. **English Civil War (1642-1651)**—Armed conflict between royalists and parliamentarians, resulting in the victory of pro-Parliament forces and the execution of Charles I
15. **Dominion of New England (1686-1689)**—Administrative union created by royal authority, incorporating all of New England, New York, and East and West Jersey; placed under rule of Sir Edmund Andros who curbed popular assemblies, taxed residents without their consent, and strictly enforced Navigation Laws; its collapse after the Glorious Revolution in England demonstrated colonial opposition to strict royal control
16. **Glorious (or Bloodless) Revolution (1688-1689)**—Relatively peaceful overthrow of the unpopular Catholic monarch, James II, who was replaced with Dutch-born William III and Marcy accepted increased parliamentary oversight and new limits on monarchical authority
17. **salutary neglect (1688-1763)**—Unofficial policy of relaxed royal control over colonial trade and only weak enforcement of Navigation Laws; lasted from the Glorious Revolution to the end of the French and Indian War in 1763
18. **patroonships**—Vast tracts of land along the Hudson River in New Netherlands granted to wealthy promoters in exchange for bringing fifty settlers to the property
19. **Quakers**—Religious group known for their tolerance, emphasis on peace, and idealistic Indian policy, who settled heavily in PA in the 17<sup>th</sup> and 18<sup>th</sup> centuries
