security with the real touch of the power user technologies **Windows XP Hacks** Preston Gralla,2005 Each year Windows XP is pre installed on 30 million PCs sold in the U S and 90 million worldwide making it the world s most popular operating system and proving to frustrated users everywhere that preponderance does not equate to ease of use There are literally thousands of programs tools commands screens scripts buttons tabs applets menus and settings contained within Windows XP And it has only been in the last couple of years that Microsoft s documentation has actually been more of a help than a hindrance But it still isn t enough Windows XP users and administrators need a quick and easy way to find answers Plenty of books go into detail about the theory behind a particular technology or application but few go straight to the essentials for getting the job done Windows XP Cookbook does just that tackling the most common tasks needed to install manage and support Windows XP

The Matrix in Theory ,2016-08-01 The Matrix trilogy continues to split opinions widely polarising the downright dismissive and the wildly enthusiastic Nevertheless it has been fully embraced as a rich source of theoretical and cultural references The contributions in this volume probe the effects the Matrix trilogy continues to provoke and evaluate how or to what extent they coincide with certain developments within critical and cultural theory Is the enthusiastic philosophising and theorising spurred by the Matrix a sign of the desperate state theory is in in the sense of see how low theory or post theory has sunk Or could the Matrix be one of the master texts for something like a renewal for theory as now being mainly concerned with new and changing relations between science technology posthumanist culture art politics ethics and the media The present volume is unashamedly but not dogmatically theoretical even though there is not much agreement about what kind of theory is best suited to confront post theoretical times But it is probably fair to say that there is agreement about one thing namely that if theory appears to be like the Matrix today it does so because the culture around it and which made it itself seems to be captured in some kind of Matrix The only way out of this is through more and renewed refreshed theorising not less
