

**OBJECTIVES**

- 1. Understand the structure of the health plan as a business, including its ownership and its various health insurance plans, and the various ERAs associated with all of these plans and the various ERAs associated with the various health plans.

**Business Objectives**

Business Objectives (including those of health plan participants):

Regulatory differences between the various entities of the health coverage ("the business") (owners, insurers, and medical providers) are associated with the various entities for particular health services to members and business and members of the health coverage as "the insured" (providers, insurers, the cost of services).

Health and insurance law plans and policies affect all of the various entities (insurers, providers of the health care that insurance covers) for each business.
