Sneddon,1996 This grammar is a complete reference guide to the language of Indonesia as used by native speakers The book is organised to promote a thorough understanding of Indonesian grammar It presents the complexities of Indonesian in a concise and readable form An extensive index cross referencing and a generous use of headings will provide readers with immediate access to the information they require *Indonesian Reference Grammar* James N. Sneddon,1996 A practical down to earth text the product of years of trialing *A Student's Guide to Indonesian Grammar* Dwi Noverini Djenar,2003 Simple and concise explanations using the minimum of linguistic terminology Examples and activities use the vocabulary and topics familiar to school students A wide range of individual pair and group activities that focus on using grammar to communicate Each chapter includes hints on useful expressions cultural notes and errors to avoid Each chapter is self contained with cross references to related grammar points in other chapters Glossary of relevant terms Keren! Indonesian Course Book Ian J. White,2001 *A Student's Reference Grammar of Modern Formal Indonesian* Roderick Ross Macdonald,Soenjono Darjowidjojo,1967 This book This grammar is a description of formal Indonesian in that it is based on published texts rather than on colloquial material Some of the texts were delivered as political speeches some are legal documents such as the Constitution and the Agrarian Laws some are textbooks intended for use in schools some are translations of books from other languages generally through the medium of English and a few are novelettes and stories foreword Intended for the general student of the Indonesian language and the professional linguist this short descriptive grammar is a useful guide as a well as a point of departure for more intensive study product description

Indonesian Reference Grammar R. Ross McDonald,1967-01-01 *Practical Grammar Bahasa Indonesia* Rahman Syaifoel,2018-11-11 Practical grammar Bahasa Indonesia is an extended grammar resource of the national language of Indonesia The book contains a simplified but comprehensive approach to learning and deepening the basic structure of the Indonesian language which contains a brief explanation of the rules of the language and fully illustrated with sentence elements of standard Bahasa Indonesia The example of sentences plays an important role in this method Users of this book can later easily reproduce these standard phrases for other purposes in another communicative environment both in spoken and in written Indonesian However scientific research shows that doing and or copying standard sentences is the most important and easiest way to learn a new language The simple and clear structure of this book will help the users step by step to fully master the grammar of Indonesian This book explains the rules and further gives a good index to find things that newcomers in the Indonesian language have problems with At the end of each chapter there are exercises to test a newly acquired knowledge with the intention to further increase this operational knowledge of grammar so that users can also actively use it At the very end of the book there are answers to these exercises for control *A Descriptive Indonesian Grammar* Isidore Dyen,1967 *Indonesian Reference Grammar* Roderick Ross Macdonald,1976
