Juvenile Justice in America Clemens Bartollas, Stuart J. Miller, 2005 For juvenile justice juvenile delinquency courses in Criminal Justice Criminology and Sociology departments Fully focused on the important issues emerging trends contemporary research and special challenges facing juvenile justice today this comprehensive exploration of the American juvenile justice system covers the history and philosophy of juvenile justice the current practices for processing youthful offenders the detention of juveniles and the diversion of youth from the juvenile justice system Unique in its approach it gives students an up close and personal view of the fascinating and sometimes tragic world of the juvenile offender and the personal psychological and thinking processes that characterize juvenile misbehavior

The Juvenile Justice System Dean J. Champion, 1998 The new edition of this text draws on the most current cases and literature in explicating the juvenile justice system Representative topics include alternative philosophies for managing juvenile offenders types of offenders and trends female versus male delinquency juveniles and the police cl

Handbook of Juvenile Justice Barbara Sims, Pamela Preston, 2006-05-05 Too often professionals in public policy or criminal justice must scramble to find additional reading on juvenile law and justice or on juvenile delinquency topics because most references and textbooks provide inadequate coverage of many issues of importance The Handbook of Juvenile Justice Theory and Practice responds to this need by providing comprehensive coverage of this important field of study Resulting from lengthy analysis by the editors about what are identified as the most pressing issues in the field this volume contains contributions from recognized experts many of whom are published with the American Society of Criminology and the Academy of Criminal Justice Sciences These authors deliver a balanced representation of theoretical research policy and legal materials associated with the juvenile justice system The book presents both historical and modern accounts of critical issues and includes a policy approach to issues of delinquency status offense treatment punishment special populations and early intervention programs This text is ideal as a resource for professionals studying juvenile justice and its impact on public policy

Denver Journal of International Law and Policy, 2014 *Youth Crime and Juvenile Justice* Barry Goldson, John Muncie, 2009-01-30 This three volume set of original readings is designed to reveal how and why children and young people have been repeatedly the subject of adult concern censure and intervention It conceptualizes notions of childhood youth and adolescence while also tracing the complex history of adult intervention and juvenile justice In the 21st century discourses of protection restoration punishment responsibility rehabilitation welfare retribution diversion human rights and so on exist alongside each other in a perpetually uneasy and contradictory manner Youth Crime and Juvenile Justice provides a lens through which to navigate this complex field

Youth Crime and Juvenile

Justice: Juvenile corrections Barry Goldson, John Muncie, 2009 This three volume set of original readings is designed to reveal how and why children and young people have been repeatedly the subject of adult concern censure and intervention It conceptualises notions of childhood youth and adolescence whilst also tracing the complex history of adult intervention and juvenile justice This collection is particularly timely not only because of persistent concerns over out of control youth but also because of an apparent hardening of adult reactions in many jurisdictions Youth justice The Palgrave International Handbook of Youth Imprisonment Alexandra Cox, Laura S. Abrams, 2021 This handbook brings together the knowledge on juvenile imprisonment to develop a global synthesized view of the impact of imprisonment on children and young people There are a growing number of scholars around the world who have conducted in depth qualitative research inside of youth prisons and about young people incarcerated in adult prisons and yet this research has never been synthesized or compiled This book is organized around several core themes including conditions of confinement relationships in confinement gender sexuality and identity perspectives on juvenile facility staff reentry from youth prisons young people s experiences in adult prisons and new models and perspectives on juvenile imprisonment This handbook seeks to educate students scholars and policymakers about the role of incarceration in young people s lives from an empirically informed critical and global perspective Alexandra Cox is Senior Lecturer in Sociology at the University of Essex UK She previously served as Assistant Professor at the State University of New York at New Paltz in their Department of Sociology Laura S Abrams is Chair and Professor of Social Welfare at UCLA Luskin School of Public Affairs USA Her scholarship focuses on improving the well being of youth and young adults with histories of incarceration *The Howard Journal* ,1924 *Bowker's Law Books and Serials in Print* ,1998
