

The background of the cover is a dark, almost black, space filled with various microscopic organisms. The most prominent are large, spherical, yellowish-green structures with a glowing orange-red interior, resembling spores or large bacteria. These are connected by thin, branching, yellowish-green filaments. There are also smaller, more complex structures scattered throughout, including some that look like small, multi-lobed organisms. The overall effect is a dense, vibrant, and somewhat abstract representation of the microscopic world.
