## ZZ PACKER

'There are all kinds of writers in this world but there are only a handful of natural ones – ZZ Packer is one of them. Full-bodied character, honest dialogue, comic brio and that essential, basic human empathy – all of these are conjured by her musical prose and rendered without false notes. She writes a short story with more complexity and kindness than most people can muster in their creaking 500-page novels.' **ZADIE SMITH**
