International Finance and The Developing Economies G. Bird, 2003-12-19 There are many challenges facing the economies of developing countries Capital volatility financial crises aid debt and the IMF are all issues that have received a great deal of attention over recent years In International Finance and The Developing Economies Graham Bird provides an essentially non technical discussion of these issues examining the underlying political economy and discussing the policy alternatives that are available

Econometric Methods And Their Applications In Finance, Macro And Related Fields Kaddour Hadri, William Mikhail, 2014-04-10 The volume aims at providing an outlet for some of the best papers presented at the 15th Annual Conference of the African Econometric Society which is one of the chapters of the International Econometric Society Many of these papers represent the state of the art in financial econometrics and applied econometric modeling and some also provide useful simulations that shed light on the models ability to generate meaningful scenarios for forecasting and policy analysis *Essays in International Finance* Charles E.
