Rescue 1122 :

Report on Rescue 1122 , The concept of rescuing humans in man made or natural disasters is marked with risk and demands commitment training accuracy timeliness and deliverance The vision scope and goals of RESCUE 1122 as life saving organization are all well tethered into its organizational structure training resources and operational practices R1 However the fast evolving dynamics of Pakistani society as in urbanization and its parallel rural co exist have an interplay with ever increasing mandate of RESCUE 1122 to cover a wider ambit of activities This confluence gives rise to a a new spectrum of problems ranging from traffic congestion in cities to a inertial nonacceptance in rural settings Such retarding factors to RESCUE 1122 services undermine the operational preparedness and efficiency of the organization The observership was undertaken with an avid focus on the technological aspects of RESCUE 1122 to identify areas where the technology could be optimized as such or if need be a new suite of IT solutions could be suggested to address emerging issues This consolidated report takes a stepwise approach to understand intra RESCUE 1122 technology based departmental activities the interfacing with external agencies including patients hospitals traffic wardens and service providers such as TPL IDS ISPs PTCL and other government bodies It then identifies the obvious and non obvious ineptness through the personal exposure of the observer in rescue missions and through the feedback received from the staff As the most important and final step concrete recommendations are made which serve in two ways a to address the shortcomings of the operational areas in order to meet desired goals in a better way and b to augment altogether new dimensions to the services which compliment the existing ones Extraneous to the purview but highly relevant problems of national significance including terrorism and sabotage and power crisis are also taken into broader consideration to make the report adept to incumbent and more strategic national needs

Masquerade Sarah Nabruq,2014-08-11 Living in Pakistan was like a 24 7 roller coaster ride for Sarah Following into her fathers footsteps she just picked herself and her family up from the comfortable cosy and predictable British life only to land herself among people who not only thought and acted differently but despised her guts and truthfulness Her experiences which were penned over a decade takes you on an emotional journey which grips and entertains at the same time The heroes and villains that cross her path come to life as she moves through time A misfit and a rebel she continued striving for the causes she believed in only to end up in deep troubles which started to threaten her loved ones After surviving blasphemy charges terrorism and corrupt power she reluctantly withdrew but refused to be a silent witness against all the injustices of the world she had lovingly embraced

Disaster Risk Management Huong Ha,R. Lalitha S. Fernando,Sanjeev Kumar Mahajan,2019-01-16 This book provides a framework for making administration effective and improving mitigation and rehabilitation measures with a view to ensuring a safer life for citizens It is an outcome of research studies carried out by eminent scholars and practitioners in South Asian countries in the field of disaster risk management The authors discuss how different South Asian countries manage disasters and address challenges associated
