Return Of The King:

The Return of the King Michael K. Snearly,2015-11-19 The clear structure of psalm groups in Psalms 107 150 can be interpreted as signaling a renewed hope in the royal Davidic promises Each psalm group of Book V is organized around a theme or key word that is related to the royal Davidic hope in the earlier sections of the Psalter Psalms 107 118 Psalm 119 Psalms 120 137 Psalms 138 145 Psalms 146 150 These words and themes figure prominently at the major seam psalms of the Psalter Psalms 1 2 and 89 Thus the content and subject matter at the end of the Psalter is integrally related to the content and subject matter at the beginning The editorial critical method used by Snearly is an extension of the method used by David M Howard Jr in *The Structure of Psalms* 93 100 Snearly also draws from recent insights in the fields of poetics and text linguistics in order to establish a linguistically based foundation for reading the Psalter as a unified text The methodology emphasizes parallel features with special focus on key word links This method advances editorial criticism by not only discerning links within a group but also showing that those links do not occur with the same frequency outside of the group

Oswald: Return of the King Edoardo Albert,2015-05-15 Spirited and enjoyable Nicholas Higham Oswald had found peace But now he must fight for the throne Northumbria lies undefended Cadwallon and Penda the kings of Gwynedd and Mercia ravage the land Oswald has a rightful claim to the throne but he is sick of bloodshed and in his heart he longs to lay down his sword and join the monks of Iona However the abbot of Iona does not need another monk the abbot wants a warrior king to spread the new faith He must reignite Oswald s hunger for glory and renown for gold and power and the homage of men But if he does will it destroy Oswald *The Good News of the Return of the King* Michael T. beautiful and relevant *The Good News of the Return of the King* The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion* In this book I propose that J R R Tolkien s *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables *The Lord of the Rings* can bypass both intellectual and imaginative objections to the gospel and pull back the veil of familiarity that obscures the gospel for many *The Return of the King, An Overview of the New Testament (Pt 4)* Bob Evely,2018-04-29 The Return of the King is an overview of the New Testament This is part 4 of 4 parts
