## **Russian Formalism:**

**Russian Formalism** Victor Erlich, 1980 No detailed description available for Russian Formalism **Russian Formalist Criticism** Lee T. Lemon, Marion J. Reis, 1965-01-01 Some of the most important literary theory of this century College English Russian formalists emerged from the Russian Revolution with ideas about the independence of literature They enjoyed that independence until Stalin shut them down By then they had produced essays that remain among the best defenses ever written for both literature and its theory Included here are four essays representing key points in the formalists short history Victor Sklovsky s pathbreaking *Art as Technique* 1917 vindicates disorder in literary style His 1921 essay on *Tristram Shandy* makes that eccentric novel the centerpiece for a theory of narrative A section from Tomashevsky s *Thematics* 1925 inventories the elements of stories In *The Theory of the Formal Method* 1927 Boris Eichenbaum defends Russian formalism from many attacks An able champion he describes formalism s evolution notes its major workers and works clears away decayed axioms and rescues literature from primitive historicism and other dangers These essays set a course for literary studies that led to Prague structuralism French semiotics and postmodern poetics Russian Formalist Criticism has been honored as a Choice Outstanding Academic Book of the Year by the American Library Association *The Polish Formalist School and Russian Formalism* Andrzej Karcz, 2002 Revising his 1999 doctoral dissertation for the University of Chicago Karcz explores the Polish Formalist School of literary theory and analysis which had already sprouted when Russian Formalism was silenced as heresy by Stalinist pressures in 1930 and the relationship between the two movements He begins by discussing the anticipations of Polish Formalism then focuses on the work of Kazimierz Woycicki 1876 1938 Mandred Kridl 1882 1957 and other primary theoreticians and practitioners Excerpts are in *English Annotation* 2004 Book News Inc Portland OR booknews.com **Russian Formalism** Stephen Bann, John E. Bowlt, 1973 *Russian Formalism* Robert Stolt, 2010-03 Seminar paper from the year 2009 in the subject English Language and Literature Studies Other grade 1 2 University of St Andrews language English abstract In the course of this essay the terminology that was applied by the Russian Formalist theoreticians shall be investigated many terms were even invented and introduced by the Formalists themselves More precisely a careful look will be taken at how the literary critics Medvedev and Bakhtin in *The Formal Method in Literary Scholarship* and Hansen L ve in *Der Russische Formalismus* examine the Formalist terms In order to evaluate Formalist terminology accurately and objectively the mentioned critics theories shall be underpinned by and contrasted with the opinion of other critics in this field Two of Shklovsky s articles *The Resurrection of the Word* and *Art as Device* are taken as a starting point for paving the way for a detailed analysis of the formal terminology The major focus lies on the term *ostranenie* that was firstly introduced by Shklovsky 1991 and is most commonly translated as estrangement defamiliarisation or making it strange The essay shall not only analyse the origins of this concept but furthermore compare the different interpretations the term entails Hansen L ve s evaluation of the concept of *ostranenie* as well as Medvedev and

Bakhtin's assessment of Shklovsky's analysis of Tolstoy's Kholstomer in the view of estrangement reveals the critical approach on which this essay is based. Moreover, the Russian term of *obnazenie* (the laying bare of the work) Hansen L ve 1978 and *oveshchestvlenie* (the process of materialisation) Medvedev Bakhtin 1978 shall be regarded throughout this essay since both concepts go hand in hand with the idea of *ostranenie*. In the last part of the essay, the formal theory of shutting out subjective consciousness from the work (Medvedev Bakhtin 1978) and the effects of this concept are in the centre of the attention.

**Russian Formalism and Anglo-American New Criticism** Ewa Majewska Thompson, 1971. No detailed description available for Russian Formalism and Anglo-American New Criticism. *Russian Formalism* Peter Steiner, 2014-10-20. Thirty years after its first publication, Peter Steiner's erudite, thoughtful book remains a classic study of Russian Formalism. His metapoetic analysis offers a simple, clear schema for apprehending the unity of action and dynamic configuration of the Russian formalists' program while fully respecting the diversity of the cluster of theories they put forward. As such, it also serves as one of the best introductions to a movement that still exerts considerable influence on literary study. Boris Eikhenbaum Carol Joyce Any, 1994. This is the first book-length study of Boris Eikhenbaum (1886-1959), a leading Russian Formalist and a pathbreaking Tolstoy scholar. The author carefully traces Eikhenbaum's intellectual trajectory from his pre-Formalist philosophical criticism through Formalism to his later biographical criticism of Tolstoy and Lermontov. Eikhenbaum's contribution to Formalism has not heretofore received clear definition, and the author shows that his ideas and influence were even greater than previously supposed. His shift away from Formalism with its emphasis on purely literary analysis toward a criticism that emphasized the writer as a cultural figure is seen as a response to both political exigency and personal need. Although by the late 1910s Formalism had become *poetics non grata* in the Soviet Union, the author demonstrates that Eikhenbaum also had compelling intellectual reasons to move away from Formalism, which had reached a dead end. The author asserts that Eikhenbaum prolonged his scholarly life by concentrating on nineteenth-century Russian authors whose moral opposition to mainstream Russian intellectual thought served as a model for his own ethical stance in Stalin's Russia. This is particularly true of his monumental three-volume work on Tolstoy, which in its own way has been as influential as his Formalist writings. Throughout, the author relates Eikhenbaum's critical thinking to such current literary issues as intention, perception, meaning, reader reception, deconstruction, and the New Historicism. Russian Formalism Robert Stolt, 2010-03-10. Seminar paper from the year 2009 in the subject English Language and Literature Studies, Other grade 1-2, University of St Andrews, language: English, abstract. In the course of this essay, the terminology that was applied by the Russian Formalist theoreticians shall be investigated; many terms were even invented and introduced by the Formalists themselves. More precisely, a careful look will be taken at how the literary critics Medvedev and Bakhtin, in *The Formal Method in Literary Scholarship* and Hansen L ve in *Der Russische Formalismus*, examine the Formalist terms. In order to evaluate Formalist terminology accurately and objectively, the mentioned critics' theories shall be underpinned by and

contrasted with the opinion of other critics in this field Two of Shklovsky's articles The Resurrection of the Word and Art as Device are taken as a starting point for paving the way for a detailed analysis of the formal terminology The major focus lies on the term *ostranenie* that was firstly introduced by Shklovsky 1991 and is most commonly translated as estrangement defamiliarisation or making it strange The essay shall not only analyse the origins of this concept but furthermore compare the different interpretations the term entails Hansen L ve's evaluation of the concept of *ostranenie* as well as Medvedev and Bakhtin's assessment of Shklovsky's analysis of Tolstoy's *Kholstomer* in the view of estrangement reveals the critical approach on which this essay is based on Moreover the Russian term of *obnazenie* the laying bare of the work Hansen L ve 1978 and *oveshchestvlenie* the process of materialisation Medvedev Bakhtin 1978 shall be regarded throughout this essay since both concepts go hand in hand with the idea of *ostranenie* In the last part of the essay the formal theory of shutting out subjective consciousness from the work Medvedev Bakhtin 1978 and the effects of this concept are in the centre of the attention This shall lead to the final evaluation of the quality in the formalist concept of perception

**The Origins of Russian Literary Theory** Jessica Merrill, 2022-07-15 Russian Formalism is widely considered the foundation of modern literary theory This book reevaluates the movement in light of the current commitment to rethink the concept of literary form in cultural historical terms Jessica Merrill provides a novel reconstruction of the intellectual historical context that enabled the emergence of Formalism in the 1910s Formalists adopted a mode of thought Merrill calls the philological paradigm a framework for thinking about language literature and folklore that lumped them together as verbal tradition For those who thought in these terms verbal tradition was understood to be inseparable from cultural history Merrill situates early literary theories within this paradigm to reveal abandoned paths in the history of the discipline ideas that were discounted by the structuralist and post structuralist accounts that would emerge after World War II The Origins of Russian Literary Theory reconstructs lost Formalist theories of authorship of the psychology of narrative structure and of the social spread of poetic innovations According to these theories literary form is always a product of human psychology and cultural history By recontextualizing Russian Formalism within this philological paradigm the book highlights the aspects of Formalism's legacy that speak to the priorities of twenty first century literary studies

**Russian Formalism** Stephen Bann, John E. Bowl, 1973

Readings in Russian Poetics Ladislav Matejka, Krystyna Pomorska, 1978 Investigating the conceptualisation of structure and form within literature the Russian Formalists affected both the creation of art during the 1920s and 1930s and the development of literary theory as a scientific discipline Crucial to the understanding of this theoretical movement this collection of essays by and about the Russian Formalists features work by Boris M Eichenbaum The Theory of the Formal Method Viktor Shklovsky The Mystery Novel Dickens's Little Dorrit Roman Jakobson On Realism in Art Mikhail Bakhtin Discourse Typology in Prose Osip M Brik Contributions to the Study of Verse Language A new introduction by Gerald L Bruns provides a context for understanding why these works remain as important and influential now as when they were first

written *The Prison-House of Language* Fredric Jameson, 2020-06-16 Fredric Jameson's survey of Structuralism and Russian Formalism is at the same time a critique of their basic methodology. He lays bare the presuppositions of the two movements, clarifying the relationship between the synchronic methods of Saussurean linguistics and the realities of time and history.

*The Futurists, the Formalists, and the Marxist Critique* Christopher Pike, 1979     *The Empire of the Tsars and the Russians: The religion* Anatole Leroy-Beaulieu, 1896     **The religion** Anatole Leroy-Beaulieu, 1896     **Modern Literary Theory, a Comparative Introduction** Ann Jefferson, David Robey, 1982. The aim of this book is to provide within the compass of a single volume an introduction to the major developments in this field that have taken place during the twentieth century in Europe and North America. The authors explain the assumptions of these theories concerning the nature of literature and criticism, showing how they relate to one another and linking them to the general issues raised by all critical practice. In succeeding chapters the book considers individual theorists and schools, focusing in turn on Russian Formalism, modern linguistics, post-structuralism, modern psychoanalytic criticism, and Marxist theories. For readers who wish to pursue further their study of particular theories, selected bibliographies are provided at the end of each chapter.

### **Russian Formalism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Formalism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing

financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Formalism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Formalism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Russian Formalism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
