Closing The Gap Wordpress:

The Language Gap David Cassels Johnson, Eric J. Johnson, 2021-07-29 The Language Gap provides an accessible review of the language gap research illuminating what we know and what we do not know about the language development of youth from working and lower socioeconomic classes Written to offer a balanced look at existing literature this text analyzes how language gap research is portrayed in the media and how debatable research findings have been portrayed as common sense facts This text additionally analyzes how language gap research has impacted educational policies and will be the first book length overview addressing this area of rapidly growing interest Critical Perspectives of the Language Gap Eric J. Johnson, 2020-04-02 This volume is an orchestrated critique of the notion that individuals from lower socioeconomic status communities have inferior language skills as compared to middle and upper class groups The idea of this so called language gap stems in large part from Hart and Risley s 1995 publication Meaningful Differences in the Everyday Experience of Young American Children Hart and Risley proposed that by age 3 children from more economically affluent households were exposed to approximately 30 million more words than children from low income backgrounds They also claimed that this gap in exposure to words negatively impacts cognitive development and eventual academic achievement The contributing authors in this book contest the original concept of a language gap as well as the recent swell of academic research and public programs that it has produced The chapters interrogate the linguistic academic cultural and social implications of the language gap by providing critical accounts grounded in the scholarly disciplines of sociolinguistics anthropology and education This book was originally published as a special issue of the International Multilingual Research Journal Critical Reflections and Politics on Advancing Women in the Academy Moeke-Pickering, Taima, Cote-Meek, Sheila, Pegoraro, Ann, 2020-04-17 Women in the Academy are raising issues of pay parity equal representation on committees increased leadership positions stories of resilience and mentorship espousing changes at all levels including teaching research and administration These strategies demand interrogation and larger questions are being asked about the place of women empowerment worldviews in the dominant intellectual traditions of the Academy Further the trend to make changes requires an exploration of new transformational approaches that draw on critical theory to resist discrimination sexism and racism and support resistance and sustainable empowerment strategies Critical Reflections and Politics on Advancing Women in the Academy is a critical scholarly publication that seeks to make the Academy responsive and inclusive for women advancement and sustainable empowerment strategies by broadening the understanding of why women in the Academy are overlooked in leadership positions why there is a pay parity deficit and what is being done to change the situation Featuring a wide range of topics such as mentorship curriculum design and equality this book is ideal for policymakers academicians deans provosts chancellors administrators researchers and students *Learning from the Federal Market Based Reforms* William J. Mathis, Tina M. Trujillo, 2016-07-01 Over the past 20 years educational policy has focused on market based reforms and

privatization The Every Student Succeeds Act continues this trend shifting authority to states This book examines the evidence on these reforms showing little success and advocating for broader societal investments and evidence based interventions

Estimating Illicit Financial Flows Alex Cobham, Petr Jánký, 2020 Illicit financial flows constitute a global phenomenon of massive but uncertain scale which erodes government revenues and drives corruption in countries rich and poor This book offers a critical examination of existing data and methodologies identifying the most promising avenues for future improvement

Screw Consent Joseph J. Fischel, 2019-01-08 When we talk about sex whether great good bad or unlawful we often turn to consent as both our erotic and moral savior We ask questions like What counts as sexual consent How do we teach consent to impressionable youth potential predators and victims How can we make consent sexy What if these are all the wrong questions What if our preoccupation with consent is hindering a safer and better sexual culture By foregrounding sex on the social margins bestial necrophilic cannibalistic and other atypical practices *Screw Consent* shows how a sexual politics focused on consent can often obscure rather than clarify what is wrong about wrongful sex Joseph J. Fischel argues that the consent paradigm while necessary for effective sexual assault law diminishes and perverts our ideas about desire pleasure and injury In addition to the criticisms against consent leveled by feminist theorists of earlier generations Fischel elevates three more consent is insufficient inapposite and riddled with scope contradictions for regulating and imagining sex Fischel proposes instead that sexual justice turns more productively on concepts of sexual autonomy and access Clever witty and adeptly researched *Screw Consent* promises to change how we understand consent sexuality and law in the United States today

The United Nations World Water Development Report World Water Assessment Programme (United Nations), 2016

Fixing the Broken Promise of Education for All Angela Hawke, 2015 *Fixing the Broken Promise of Education for All* published by the UNESCO Institute for Statistics and UNICEF presents the latest statistical evidence from administrative records and household surveys to better identify children who are out of school and the reasons for their exclusion from education It aims to inform the policies needed to reach these children and finally deliver the promise of Education for All Based on a series of national and regional studies and policy analysis by leading experts the report explains why better data and cross sector collaboration are fundamental to the design of effective interventions to overcome the barriers facing out of school children and adolescents While highlighting the way forward for system wide policies to improve educational quality and affordability the report also presents the information needed for targeted approaches to address the compounding effects of disadvantage faced by children caught up in armed conflict girls working children children with disabilities or members of ethnic or linguistic minorities This report presents a roadmap to improve the data research and policies needed to catalyse action for out of school children as the world embarks on a new development agenda for education

The Political Economy of Economic Reform in the Pacific Ronald C. Duncan, 2011 This collection of studies on the political economy of Pacific island countries

was authored by writers from various disciplinary backgrounds Their research confirms the results of political economy studies of economic reform in developing countries from elsewhere around the world and shines new light on the kinds of obstacles that have to be overcome for economic reform to be successful in the Pacific This publication presents many valuable lessons for agencies assisting in the economic development of Pacific island countries Publisher's website

Changing History Cynthia A. Kierner, Jennifer Renee Loux, Megan Taylor Shockley, 2013 For four centuries Virginia women have made history that is both important and inspiring As entrepreneurs and laborers wives and mothers educators and reformers women both famous and lesser known have influenced the course of history in the Old Dominion Changing History Virginia Women through Four Centuries begins with the region's Native American peoples before Jamestown and ends with a twenty first century profoundly changed by second wave feminism Generously illustrated Changing History is based on recent scholarly work as well as research in original records The engaging narrative reveals a history of Virginia women whose rights and choices have increased over time enslaved women became free wives became property owners women of all races attained greater access to education suffrage and other basic civil rights Progress has not always been steady and improvements have varied by class race and region Virginia's women have created an evocative legacy Changing History tells their stories book jacket

A Field Guide to the Culture Wars Michael McGough, 2009 Like any realignment in politics the Democratic takeover of Congress in the 2006 midterm elections inspired a raft of instant analyses One take on the results that is surely wrong is that the change in control of Congress and the spike in Democratic hopes for the 2008 presidential race mark an end to the culture wars that conventional wisdom blamed or credited for George W Bush's re election in 2004 This book sets the stage for a new consideration of the contemporary culture wars by examining their antecedents from the Scopes trial to Prohibition to the controversy over the Supreme Court's desegregation and school prayer rulings to loyalty oath battles of the 1950s to the pre Roe v Wade campaign to liberalize abortion laws Even during times of supposed conformism Americans have been presented with competing claims about what sort of culture this is and how and to what extent government should reflect and police values The author covers such topics as same sex marriage stem cell research intelligent design and other hot button issues that are debated not just between the religious and secular but more and more among the ranks of the religious themselves where a religious left has emerged to counter arguments from the religious right Anyone interested in the intersection of religion and politics in the rise of the so called moral majority and in the current state of affairs with regard to values and public life in America will gain a better understanding from reading this book

Abnormal Psychology Ann M. Kring, Sheri L. Johnson, Gerald C. Davison, John M. Neale, 2013-10-07 Note This ISBN does not include an Online Access Code or any Online Components For nearly four decades Abnormal Psychology has been a trusted resource for instructors and students Abnormal Psychology DSM 5 Update 12th Edition Binder Ready Version is known for its comprehensive coverage of current research theory and treatment Abnormal Psychology has

long been praised for its multiple paradigm approach and coverage of cutting edge research and theory which are central to the discipline This is an unbound binder ready version **Great Lengths 2012** Neville Gabie,2012 Neville was appointed as the Artist in Residence for the Olympic Delivery Authority in October 2010 after an arduous and challenging selection process His appointment is a recognition of the work he has made as temporary installations photography and film throughout his career in responding to specific places and locations particularly in relation to urban regeneration As the first Artist in Residence post in the history of the modern Olympic games this project afforded Neville a unique opportunity to further his own practice and to embed himself in the context of a regeneration project of extraordinary scale
