designer your success depends on how you brand yourself and the service you provide This book will help you explore develop distill and determine a distinctive brand essence differentiate yourself and create your visual identity Build Your Own Brand is a guided journal designed to help you sketch write design and conceive the way you brand yourself More than 80 prompts and exercises will help you develop your Personal brand essence Visual identity and style Resume and elevator pitch and much more Whether you re trying to land a new job or launch a design business let this unique guide light the way You ll find helpful advice interviews and prompts from esteemed psychologists creative directors brand strategists designers artists and experts from a variety of disciplines Build your own brand today

Building Your Brand Assets Karan Gupta, 2021-04-18 Your brand is and should be unique It should stand out from others in a similar business or service What makes your brand so different It s your unique promise and value that you provide to your customers and clients But how do you communicate this to your potential network Through branding Like humans brands have a character Like us they need to have a style a dressing sense and a style of communication to grab people s attention In this book we ll get into the depth of each of the brand assets from brand name story logo colors typography tone of voice imagery iconography illustrations to compiling them in a holy brand style guide It ll be an exciting journey If you re a brand strategist marketer brand agency team member at a manager post a business owner or an entrepreneur looking to establish your business as a brand this is for you If you re a young design or business graduate struggling to understand the practical applications of your theory classes in Branding and Marketing this is for you If you re a 9 5 stuck employee at a stressful job and willing to set up your own business or brand but don t have the capital to invest in building your brand this will help you construct it In the last book BYOB Building Your Own Brand we talked about the first steps towards creating a brand strategy value proposition statement brand character and the various types of brand logos This book is a continuation of where we left in the last book Although you can read it without going through the previous book I would recommend you to read it too if you wish to gain a better foundation in brand building Here we will understand what a particular brand asset is used for how it needs to be created where it should be used and how to make it a successful brand asset that evokes a strong brand recall in the minds of your audience All the chapters are supported by examples from brands all over the world The last chapter focuses on compiling the valuable brand assets in the form of a style guide with guidelines descriptions information standards best practices do s and don ts and instructions for anyone who will be involved in brand building exercises A strong visual identity is the need for a modern brand to evolve in this digital era and a necessity for a legacy brand to continue growing business Over 90% of businesses around the world today depend on highly aesthetical and meaningful visual communication How do we achieve this With all the visual and emotional clutter filling the digital space and no one really looking at your advertisements anymore How do we attract people and hook them to your brand We do it by providing them value Value through an exclusive visual means of communication Obviously there s something particular about how your brand dresses

up to perform in front of your audience These accessories it wears are your brand s assets and in this book you ll discover how to make them
