Bugis:

The Bugis Christian Pelras, 1997-01-23 The Bugis who number about three million live for the most part in the Indonesian province of South Sulawesi they are among the most fascinating peoples of maritime Southeast Asia and the least known Their image in legend and modern fiction is of bold navigators fierce pirates and cruel slave traders but most are in fact farmers planters and fishermen Although they are an Islamic people they maintain such pre Islamic relics as transvestite pagan priests and shamans Their colorful nobility claims descent from the ancient gods yet owes its power to social consensus This book is the first to describe the history of the Bugis It ranges from their origins 40 000 years ago to the present and provides a complete picture of contemporary Bugis society It is based on the author s extensive field research over the last 30 years on oral tradition written epics and chronicles on travellers tales from the sixteenth to the nineteenth centuries and on the latest research by Western and Asian scholars in the fields of archaeology history linguistics and anthropology The author reveals the brilliance of Bugis civilization in all its exotic and extraordinary manifestations and its survival through Dutch colonization Japanese invasion and the incursions of modernity This is a work of outstanding scholarship interest and originality

Yonfan's Bugis Street Kenneth Chan, 2015-10-01 Bugis Street was famous or notorious for being a haunt of transgender prostitution in the early decades of postcolonial Singapore Since then the site has been a source of touristic obsession and local cultural anxiety In his 1995 film *Bugis Street* director Yonfan brings the short lane back to vivid cinematic life By focusing on the film s representations of queer sexualities and transgender experience this book contends that the under appreciated Bugis Street is a significant instance of queer transnational cinema The film s playful yet nuanced articulations of queer embodiment spatiality and temporality provide an unexpected intervention in the public discourses on LGBT politics activism and cultures in Singapore today This book s arrival at a much more complicated and contradictory picture of the discursive Bugis Street through the examination of Yonfan s film and a range of other cultural and literary texts adds a new critical dimension to the ongoing historical geographical sociological ethnographic and artistic analyses of this controversial space

The Bugis Chronicle of Bone Campbell Macknight, Mukhlis Paeni, Mukhlis Hadrawi, 2020-03-23 The Bugis Chronicle of Bone is a masterwork in the historiographical tradition of South Sulawesi in Indonesia Written in the late seventeenth century for a very specific political purpose it describes the steady growth of the kingdom of Bone from the fourteenth century onwards The local conquests of the fifteenth century closely linked to agricultural expansion give way to the long conflict with the Makasar state of Gowa in the sixteenth century Forced Islamisation in 1611 is dealt with in detail leading finally to first contact with the Dutch East India Company in 1667 This edition presents a diplomatic version of the best Bugis text together with the first full English translation and an extensive introduction covering the philological approach to the edition as well as the historical and cultural significance of the work A structure based on the reigns of successive rulers allows for stories about the

circumstances of each ruler and particularly the often dramatic processes and politics of succession The chronicle is a rich source for historians and anthropologists seeking to understand societies beyond Europe It provides a window on to this Austronesian speaking society before the impact of significant external influences This is history from within covering more than three centuries Bugis Settlers in East Kalimantan's Kutai National Park Andrew Peter Vayda,Ahmad Sahur,1996

Bugis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bugis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bugis has opened up a world of possibilities. Downloading Bugis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bugis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bugis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bugis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bugis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Bugis has transformed the way we access information. With the convenience, cost-effectiveness, and

accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
