

Character Presentation Information

Overview

We are going to have a character presentation day in our classroom. The purpose of this task is to encourage the children to research and learn and to get excited about reading. I am hoping that the children choose a book, then share my help the character to the class, and come to school. I will call on each student to stand in front of the class and present who they are and what kind they come from. I will expect students to learn who the author and illustrator of the book are. The students will tell what their favorite part was and why they chose the character. It would be very helpful if the students had the book, so they can show the class. I will be encouraging the students to speak loud and clear. I will be grading the students on this project. There is a rubric that I will use. Let me know how I can help or if there are any questions.
