

Why did you decide to become an electrical engineer? / What made you want to study electrical engineering?

The interviewers ask this question to check your passion for this engineering field, better understand your background, and figure out how they relate to each other. This is one of the primary and most asked electrical engineering interview questions. While answering this question, you should be ready to talk about your education, interest in engineering, and personal experiences in this field. Highlight your passion for the electrical engineering field and strictly avoid answers such as, "I knew engineers made good money" or "My parents wanted me to study electrical engineering."
