SAP is a great software One needs to fully understand its features in order to effectively exploit them for the benefit of customers Mr Agrawal s books on SAP HR have a unique approach A chapter usually focuses on a single business concept and discusses the user interface as well as its associated configuration This logical division makes it easier for readers to understand the functionality Another important feature of these books is the level of detail Each screen and each field in a screen is explained Explanation includes meaning use case and in some cases guidelines Details are balanced by overviews explaining the concepts and their relationships While explaining functionality Mr Agrawal has taken efforts to highlight what

can be done and how it is to be done This is particularly important for less experienced users and consultants Indicating chapter numbers against each menu and configuration item is a very useful innovation as it establishes direct link between the SAP system and the book Another useful feature is that these books can be read not only by consultants but also by users business process owners and even by senior managers The importance of each topic for each category of users is specified Mr Agrawal has taken considerable pain in writing these books and I congratulate Mr Agrawal on his achievement and thank him for his contribution to the SAP community K Sanjai Regional Head Asia Pacific Japan SAP Global Delivery [SAP HCM Configuration Book & HR User guide](#) Carlo Neto,2026-01-19 The book describes the guidelines in the use of the Sap HR System and in particular aims to support HR administrators in their daily activities like new hiring organizational change time data corrections data extractions with ad hoc queries implementation It is useful also for the Sap HR consultants that work in the IT management activities of human resources to help them with the Sap HCM System configuration The manual includes a first section dedicated to the core sub modules of the Human Resource Area namely Recruitment selection and management of candidates PA Personnel administration OM Organizational Management TM Time Management The second section of this book describes the configuration of the Master data infotypes and features like Actions and event type Company Personnel area and subarea Employee group organizational assignment and Time management module Furthermore the book is focused to the implementation of the Time Management evaluation Schema that represents the main report to evaluate working hours absences punches and overtime hours in the SAP HR Time management sub module The book presents real life examples and configuration scenarios [Integrating SAP SuccessFactors](#) Donna Leong-Cohen,Vishnu Kandi,Rinky Karthik,Seng-Ping Gan,2020 Transitioning to cloud HCM With this guide learn how to integrate SAP SuccessFactors into your HCM landscape Connect Employee Central to SAP ERP SAP S 4HANA and third party systems and perform cross module talent integrations between Recruiting Onboarding Learning and more Then create custom integrations using APIs the Integration Center SAP Cloud Platform and templates to suit your organization s specific requirements Chart your own path to HCM in the cloud In this book you ll learn about a Employee Central Integrations Configure the packaged integrations between Employee Central and SAP ERP or SAP S 4HANA and migrate your personnel data using the InfoPorter Learn how to connect to Employee Central Payroll and third party systems such as Kronos or Benefitfocus b Talent Integrations Integrate SAP SuccessFactors talent modules such as Recruiting Performance Goals Learning and more Enable the attract and acquire pay for performance and identify and grow processes in your SAP SuccessFactors landscape c Custom Integrations Where standard integrations end custom integrations begin Determine whether your requirements merit custom work and learn how to create your own integrations Walk through use cases and step by step examples for using APIs the Integration Center SAP Cloud Platform or templates Highlights include 1 SAP ERP HCM and SAP S 4HANA 2 Employee Central 3 Employee Central Payroll 4 Recruiting and Onboarding 5 Learning 6
