Oxford Take Off In Russian:

OXFORD TAKE OFF IN RUSSIAN OXFORD DICTIONARIES, The pack includes a coursebook full mp3 audio to download and 4 CDs to support you in learning a new language Flexible and structured course units allow you to work at your own pace and check your progress with regular self testing exercises Take Off in Russian Oxford University Press, Nick Ukiah, 2001-06 From complete beginner to intermediate level in 14 easy to understand units Book cover *Four Russian Serf Narratives* John MacKay, 2009-11-24 Although millions of Russians lived as serfs until the middle of the nineteenth century little is known about their lives Identifying and documenting the conditions of Russian serfs has proven difficult because the Russian state discouraged literacy among the serfs and censored public expressions of dissent To date scholars have identified only twenty known Russian serf narratives *Four Russian Serf Narratives* contains four of these accounts and is the first translated collection of autobiographies by serfs Scholar and translator John MacKay brings to light for an English language audience a diverse sampling of Russian serf narratives ranging from an autobiographical poem to stories of adventure and escape *Autobiography 1785* recounts a highly educated serf s attempt to escape to Europe where he hoped to study architecture The long testimonial poem *News About Russia ca 1849* laments the conditions under which the author and his fellow serfs lived In *The Story of My Life and Wanderings 1881* a serf tradesman tells of his attempt to simultaneously escape serfdom and captivity from Chechen mountaineers The fragmentary *Notes of a Serf Woman 1911* testifies to the harshness of peasant life with extraordinary acuity and descriptive power These accounts offer readers a glimpse from the point of view of the serfs themselves into the realities of one of the largest systems of unfree labor in history The volume also allows comparison with slave narratives produced in the United States and elsewhere adding an important dimension to knowledge of the institution of slavery and the experience of enslavement in modern times This Globalizing Word Leonid E. Grinin, Princess Irene of the Netherlands, Ervin Laszlo, Roland Robertson, Wali Teymouri, Tomasz Kamusella, Petr Blizkovsky, Karl-Heinz Pohl, Anastasia V. Mitrofanova, Patrick A. Taran, Michael Charles Tobias, Jane Gray Morrison, Endre Kiss, Tom Rockmore, Peter McCormick, William C. Gay, Lu Feng, 2015-03-30 Despite the increasing flow of publications on globalization our ideas and knowledge about this phenomenon still leave much to be desired That is why the special periodicals and books in the field of Global Studies are of utmost importance for modern society Of great importance are also the books which accumulate the last achievements of scientific thought in the field of Global Studies The present edited volume is just the book of the kind Its title *This Globalizing World* reflects the main idea of the formation of a new World System This book comprises the best articles which have been published in the interdisciplinary journals *Age of Globalization* published in Russian its English language digest as well as in the *Journal of Globalization Studies* The articles included in the volume reflect the today s pressing issues and they also present a number of forecasts for the nearest future and for the more distant periods of the global development as well In the present volume one can find the perceptions of globalization by a

number of scholars from different countries whose articles have been published in the mentioned journals International Partnership in Russia James Henderson, Alastair Ferguson, 2014-02-17 International Partnership in Russia provides a unique insight into the joint ventures formed by international oil companies in Russia during the post Soviet era It outlines the highs and lows in their fortunes and analyses the reasons for their successes and failures *Russian Multinationals* Andrei Panibratov, 2013-06-19 Russian multinationals are playing an increasingly important role in the world economy particularly in some key sectors such as oil gas and metallurgy At the same time Russian multinationals differ in many respects from multinationals from other countries in that they often receive special treatment from the Russian government and because of past experiences international investors are often reluctant to invest in them This book presents a comprehensive overview of Russian multinationals It discusses the rise of Russian multinationals examines Russian multinationals activities in key sectors analyses the relationship between Russian multinationals and the Russian government and between Russian multinationals and international investors and concludes by assessing how Russian multinationals are likely to develop in future *The Routledge Handbook of Soviet and Russian Military Studies* Alexander Hill, 2025-02-24 This handbook brings together historical and contemporary essays about Soviet and Russian military studies to offer a comprehensive volume on the topic Comprising essays written by acknowledged specialists the handbook examines the development of the Russian and Soviet armed forces from the Napoleonic Wars all the way through to the course and conduct of the Special Military Operation in Ukraine Divided into thematic and chronological sections the volume looks at wars fought by the Tsarist regime through to the First World War the Soviet Union's Great Patriotic War from 1941 to 1945 the Cold War including the Soviet war in Afghanistan and Russia's post Soviet wars and military development In addition the volume also includes a section that analyses a number of overarching themes including the development of Russian and Soviet airpower partisan warfare counterinsurgency and the role of women in Russian and Soviet armed forces The volume concludes with an essay looking at whether using the historical material and material on the conduct of the war in Ukraine we can reasonably talk of a Russian way of war This volume will be of considerable interest to students of the Soviet Union and Russia strategic studies and military history *Rusistika*, 2008 **Russian Military Reform, 1992-2002** Anne C. Aldis, Roger N. McDermott, 2004-11-23 Military reform has featured prominently on the agenda of many countries since the end of the Cold War necessitated a re evaluation of the strategic role of the armed forces and nowhere more publicly than in Russia Not since the 1920s have the Russian Armed Forces undergone such fundamental change President Boris Yeltsin and his successor Vladimir Putin have both grappled with the issue with varying degrees of success An international team of experts here consider the essential features of Russian military reform in the decade since the disintegration of the USSR Fluctuations in the purpose and priorities of the reform process are traced as well as the many factors influencing change Chapters analyse the development of Russia's security policy structural reform of the services the social impact of military

service and experience of military conflict in Chechnya Critical evaluations of the impact of social change on the Russian Armed Forces capabilities and expectations complement the analysis of the on going debate Russian Military Reform 1992 2002 will prove invaluable to all those interested in civil military relationships and international security as well as to students of military theory and practice *Take Off in Russian* Nick Ukiah,2001-07-26 For anyone who has ever wanted to learn a language but has been intimidated by the process Oxford presents this new enjoyable and efficient language learning series Based on the idea that the easiest and most effective way to learn a foreign language is by developing the key skills of listening and comprehension each volume in Oxford s new Take off series features 5 hours of audio content fully reinforced by a clearly laid out grammatically structured course book giving learners a unique and innovative approach to language learning Each Take off unit is designed specifically to meet the needs of anyone learning a language on their own The series gives learners the confidence to communicate from the very first lesson by offering more practice in listening to and speaking the language than any comparable course Here are some of the outstanding features of this series Listening and speaking skills the building blocks of language learning are emphasized in 5 hours of audio content No prior knowledge of the language is required this course is designed to be used by an absolute beginner or by anyone who needs to brush up on lost language skills The course is made up of carefully structured learning blocks within each unit to break the learning process up into manageable sections A continuous story runs throughout the course showcasing everyday life in the culture and making language learning more fun Cultural information is included in every lesson Regular self assessment sections show learners instantly how far they ve progressed The course is backed up by a solid grammatical toolkit which builds step by step on the knowledge learners gain as they move through the course Business vocabulary and customs are covered as well as general and social vocabulary and situations *American Book Publishing Record* ,2001 [Russian Women Writers](#) Christine D.
