Contemporary Research on Business and Management Siska Noviaristanti, 2020-09-15 This book contains selected papers presented at the 3rd International Seminar of Contemporary Research on Business and Management ISCRBM 2019 which was organized by the Alliance of Indonesian Master of Management Program APMMI and held in Jakarta Indonesia on 27-29th November 2019. It was hosted by the Master of Management Program Indonesia University and co-hosts Airlangga University, Sriwijaya University, Trunojoyo University of Madura, and Telkom University, and supported by Telkom Indonesia and Tripura. The seminar aimed to provide a forum for leading scholars, academics, researchers, and practitioners in business and management areas to reflect on current issues, challenges, and opportunities and to share the latest innovative research and best practices. This seminar brought together participants to exchange ideas on the future development of management disciplines: human resources, marketing, operations, finance, strategic management, and entrepreneurship.

Accounting Robert Newton Anthony, David F. Hawkins, Kenneth A. Merchant, 2011 Accounting Text and Cases is a product of lifelong dedication to the discipline of accounting. Covering both financial and managerial accounting as well as broader managerial issues, the book incorporates a breadth of experience that is sure to enrich your course and your students. The 109 cases that make up most of the end-of-chapter material are a combination of classic Harvard-style cases and extended problems, with 12 complete new cases added to the thirteenth edition.

Book Jacket Analyzing Security, Trust, and Crime in the Digital World Nemati, Hamid R., 2013-12-31 In the digital era, information is the most valuable resource, and protecting one's assets is a constant struggle for both individuals and organizations. Analyzing Security, Trust, and Crime in the Digital World explores techniques and technologies used to secure data and prevent intrusion in virtual environments. Within these pages, computer scientists, programmers, engineers, and practitioners will find meaningful research on intrusion detection and authentication techniques in order to further defend their own systems and protect the information therein.

Competition and Cooperation in Economics and Business Lindawati Gani, Beta Gitaharie, Zaäfri Husodo, Ari Kuncoro, 2017-10-12 Asia and the Pacific have become the growth engine of the world economy, with the contribution of two-thirds of the global growth. The book discusses current issues in economics, business, and accounting in which economic agents, as individuals, entrepreneurs, and professionals, as well as countries in the Asia and Pacific regions, compete and collaborate with each other and with the rest of the globe. Areas covered in the book include economic development and sustainability, labor market, competition, Islamic economic and business, marketing, finance, accounting, standard compliances, and taxation. It will help shed light on what business and economic scholars in regions have done in terms of research and knowledge development, as well as the new frontiers of research that have been explored and opening up. This is an Open Access ebook and can be found on www.taylorfrancis.com.

Accounting, Text and Cases Robert Newton Anthony, James S. Reece, 1989 This edition contains a total of 121 cases which have been selected because of their interest and educational value as a basis for class discussion.

Teaching IFRS Richard M.S. Wilson,Ralph W. Adler,2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal
