

# 10 Hour Study Guide for the Professional Practice Exam

By Kim Graves

February 17, 2009

This document suggests a 10 hour study plan for the Professional Practice Exam. Each module gives topic and timeline suggestions for the texts. To save on time, I suggest that you refer to Susan McCahan's notes as you read and add to them what you feel you need. Remember, however, that you will retain more by writing notes in your own words. Do the best you can given your personal time constraints.

While Ethics is "Part A" of the exam, I suggest that you focus study on Law to begin with. There is general agreement that study for the Law portion of the exam will take significantly more time than the Ethics portion. This is reflected in the amount of time in the 10 hour study plan devoted to ethics (~ 2.5 hrs).
