Project Management Jack R. Meredith, Samuel J. Mantel, Jr., 2011-08-23 As the use of project management to accomplish organisational goals continues to grow skills related to understanding human behavior evaluating organisational issues and using quantitative methods are all necessary for successful project management Meredith and Mantel have drawn from experiences in the workplace to develop a text that teaches the student how to build skills necessary for selecting initiating operating and controlling all types of projects

Project Management Jack Meredith, Samuel Mantel, 2011 Meredith's newest edition of Project Management focuses on all facets of the steps needed to successfully manage a project from planning and resources to budgeting and more An important goal is to appeal to help those preparing to take the PMBOK certification exams of the Project Management Institute Revisions for the 8th Edition include a more consistent writing style throughout content updates in some chapters additional examples of some concepts to make them easier to grasp and improved visual elements to make the textbook and online resources easier to understand and navigate

Project Scheduling and Cost Control James Taylor, 2008 More than 80 percent of all projects start with underestimated schedules and costs and are doomed to exceed projections This concise book demonstrates how to establish realistic estimates how to control a project's schedule and costs and how to develop the project's plan and processes for successful project completion

Management von Informatik-Projekten René Riedl, 2019-07-08 Die erfolgreiche Planung und Realisierung von Digitalisierungsvorhaben und die damit einhergehende digitale Transformation sind untrennbar mit erfolgreichem Projektmanagement verbunden Unabhängig davon wie ausgeprägt die Reichweite der von digitalen Technologien ausgehenden Veränderungen ist z. B. Reorganisation von Geschäftsprozessen bis hin zur Veränderung von Geschäftsmodellen das Handeln im Projektmanagement wird den Ausgang eines Digitalisierungsvorhabens immer maßgeblich beeinflussen Informatik-Projekte sind in der Praxis oft solche Projekte deren Zweck die Herstellung neuer oder die wesentliche Veränderung bestehender Informations- und Kommunikationssysteme ist Viele Informatik-Projekte sind nur teilweise erfolgreich oder werden abgebrochen Das vorliegende Lehr- und Managementbuch, das in 49 Lerneinheiten gegliedert ist, soll einen Beitrag leisten Wissen zum Management von Informatik-Projekten zu vermitteln Die Anwendung dieses Wissens beim praktischen Handeln soll die Erfolgswahrscheinlichkeit von Informatik-Projekten erhöhen damit in Zukunft möglichst viele Digitalisierungsvorhaben einen positiven Ausgang nehmen

Leisure Services Management Amy R. Hurd, Robert J. Barcelona, Jo Ann M. Zimmerman, 2023-11-01 Leisure Services Management Third Edition With HKPropel Access outlines the essential knowledge and skills that successful managers must learn and it assists students in building those competencies The text prepares students for the Certified Park and Recreation Professional CPRP qualifying exam and for the challenges they'll face in their future careers in commercial recreation public agencies and the nonprofit sector Throughout the text there are activities projects and examples to help students connect competencies to real world situations Leisure Services

Management begins by presenting a firm foundation of competency based management. Students will examine the scope of leisure management, management responsibilities, and how a manager can affect an agency and its customers. They will also explore specific management areas such as marketing, financial management, human resources, employee development, communication, and evaluation. For each chapter, the ancillaries offer experiential learning activities that simulate on-the-job situations. Each of these activities asks students to assume the role of a manager and address common management issues by completing a work assignment or project. These activities will facilitate student development and help students gain essential management competencies. Other learning aids include learning objectives, review questions, key terms, and a glossary to reinforce student learning. In addition to updated references that provide contemporary management perspectives, the third edition features the following: Expanded content on social media planning and international leisure. A new chapter focusing on diversity, equity, and inclusion to broaden students' perspectives. From the Field sidebars which offer readers a glimpse of what happens in the field so they can better understand what they will be facing in the future. Leisure Services Management has related online learning activities delivered via HKPropel. These activities include flash cards and undergraduate and graduate level case studies for each chapter. Chapter quizzes which are automatically graded may be assigned by instructors to test comprehension of critical concepts. Students can also access a list of competencies tested in the CPRP exam and a competency scorecard to track their development relative to professional standards. These online resources will help students build useful knowledge and apply the information. The competency-driven approach of Leisure Services Management, Third Edition, assists readers in gaining the knowledge and practicing the skills needed to begin a career in leisure management. Bolstered by the practical information in this text, new managers can contribute to the success of their organization as they enjoy the challenges and rewards of their career. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.
