Joe Biden LP Jules Witcover, 2010-10-05 When I got knocked down by guys bigger than me my mother sent me back out and demanded that I bloody their nose so I could walk down the street the next day Joe Biden In this the first definitive biography of Vice President Joe Biden renowned journalist Jules Witcover examines the fascinating life of a man who with his tenacity outspokenness and charming smile has shaped Washington politics for the past forty years and who now serves as the forty seventh vice president of the United States Raised in the working class towns of Scranton Pennsylvania and Wilmington Delaware and with lackluster grades in school and no particular goals other than to play sports or fleetingly to become a priest Biden shocked the nation in 1972 when he became one of the youngest elected senators in U S history From that point forward he carved a legacy for himself as one of the most respected legislators in the country Biden's record in Congress was impressive He chaired three Senate committees confronted Slobodan Milošević head on as a war criminal and conducted the confirmation hearings of Supreme Court justices After voting for the 2002 Senate resolution to use force in Iraq he later called for its repeal and became an outspoken critic of the conduct of the war Yet for all of Biden's achievements in the Senate his life has been filled with tragedy and countless challenges Within two months of being elected in 1972 Biden lost his wife Neilia and his young daughter in a tragic accident a loss that brought him to the nadir of despair and shook his resolve to stay in politics And even after Biden vowed to

continue his career his tenure was marked by two brain aneurysms and career threatening verbal gaffes Then after being considered among the front runners in the 1988 Democratic presidential primaries Biden was accused of plagiarism for a speech he made at the Iowa State Fair He dropped out of the race to the sounds of Washington pundits chattering that the presidency would never be his Through it all Biden survived and ran and eventually dropped out again in the 2008 primaries But even with this defeat Barack Obama recognized Biden s vast experience in domestic and foreign affairs and selected him to be his running mate Joe Biden A Life of Trial and Redemption is based on exhaustive research by one of Washington s most prolific journalists In drawing on numerous exclusive interviews with Biden s confidants and family members as well as President Obama and Vice President Biden Witcover has gone beyond conventional biography to track the forces that have shaped a man who with his plainspoken style and inspiring life story has resonated with millions of Americans and whose work is now influencing the Obama Biden administration and shaping America [Life After Roe](#) David Closson,2025-04-01 Life After Roe equips believers with the knowledge and tools needed to navigate the evolving landscape surrounding abortion after the Dobbs v Jackson decision [Digital Talking Books Plus](#) ,2009 *U.S. News & World Report* ,2007 *The Book Review Digest* ,2007 *Promise Me, Dad* Joe Biden,2017-11-16 The Instant 1 New York Times Bestseller From President Elect Joe Biden winner of the 2020 United States presidential election Promise Me Dad is his deeply moving memoir about the year that would forever change both a family and a country Biden splices a heartbreaking story with an election story and a foreign affairs story And in so doing he offers something for everyone no matter which strand draws you in The New York Times Book Review In November 2014 thirteen members of the Biden family gathered for their traditional Thanksgiving celebration But this year felt different from previous Joe and Jill Biden s eldest son Beau had been diagnosed with a malignant brain tumour fifteen months earlier and his survival was uncertain Promise me Dad Beau had told his father Give me your word that no matter what happens you re going to be all right Joe Biden gave him his word Promise Me Dad chronicles the year that followed which would be the most momentous and challenging in Joe Biden s extraordinary life and career Vice President Biden travelled more than a hundred thousand miles that year across the world dealing with crises in Ukraine Central America and Iraq While Beau fought for and then lost his life the Vice President balanced the twin imperatives of living up to his responsibilities to his country and his responsibilities to his family while contemplating the insistent and urgent question of whether he should seek the presidency in 2016 Even in the worst times Biden was able to lean on the strength of his long deep bonds with his family on his faith and on his deepening friendship with the man in the Oval Office Barack Obama Promise Me Dad is a story of how family and friendships sustain us and how hope purpose and action can guide us through the pain of personal loss into the light of a new future **Book Review Index - 2009**
