*Counterfeit Kingdom* Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In *Counterfeit Kingdom* apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call **Congregational Song in the Worship of the Church** William L. Hooper, 2020-03-20 This book is a study of how congregational song developed and has been used in the worship of Western churches in general and specifically churches in the United States Beginning with the worship of ancient peoples the Hebrews and early Christians and continuing to the present the author examines historically how song has been and is used as an intentional sacred ritual action like prayer or Scripture reading Written primarily as an introductory text for college and seminary students the overall goal is to make a historical journey with the people events and ideas from which have evolved the various types of song we have in American worship today To help readers think more deeply about the material study questions are given at the end of each chapter *The "Voice" of Worship* Kelly F. McDowell, 2024-02-28 If you lead any group in singing contemporary worship music love to work toward self improvement or just want to learn more about your internal instrument the voice you've come to the right place The vocal techniques you have learned can always be improved and this guide can assist you in the process You don't have to accept a hoarse voice after service as normal You possess the skills to manage that break your voice produces in that middle range Your stylistically different sounds can be modified to better fit the feel of your church's band You can increase the strength of your upper register With an easy to understand format and the scientific breakdown you are curious about this book can help improve your contemporary worship singing technique health and stylistic understanding all while acknowledging the God who is the reason for it all **Drunk in the Spirit** Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own
