The Perfect Way Osho,2017-12-12 The book you hold in your hand or you are just ordering from an online store is a unique book It is the first book by the contemporary mystic Osho At the beginning of his public life Osho who is at that time a professor of philosophy at Jabalpur University introduces people to a new and unique understanding of meditation during experiential meditation camps He speaks to the participants and responds to questions This book is the first published records of Osho s first meditation camp in Rajasthan India In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications but the essential message is already available in this book Osho speaks to the individual not to a collective not the abstract collective of humanity or a collective defined by religion or nationality or race but to individuals as the core element of existence We used one of his opening comments as a longer quote on the front cover of the book as it seem so important The individual is the unit of the whole and it is through him that both evolution and revolution can take place You are that unit Osho mentions this book on several occasions in his later talks When the second prime minister of India traveled to Russia a copy of *The Perfect Way* was with him And when someone in contact with Osho at the age of ninety stumbled upon *The Perfect Way* he commented All my learning of the scriptures was futile only this small book is enough In *The Perfect Way* the reader meets a human being who knows but who also knows how to convey what he knows His genius in full flight he points us as far as one can with words toward the inner world of the self toward the zone of silence What starts on a hot summer day in the early 1960 s will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness one which will eventually transform the lives of millions of people all over the world To be without thoughts is meditation Osho says When there are no thoughts it is then we come to know the one hidden by our thoughts When there are no clouds the blue sky is revealed This book is page after page of blue sky

Osho : The Book Of Understanding - Creating Your Own Path To Freedom

Osho, *The Book of Understanding* Osho,2006-02-14 The path to freedom is filled with questions and uncertainty Is it possible to truly know who we are Do our lives have a purpose or are we just accidental What are we meant to contribute What are we meant to become to create and to share In *The Book of Understanding* Osho one of the most provocative thinkers of our time challenges us to understand our world and ourselves in a new and radical way The first step toward understanding he says is to question and doubt all that we have been taught to believe All our lives we ve been handed so called truths by countless others beliefs we learned to accept without reason It is only in questioning our beliefs assumptions and prejudices that we can begin to uncover our own unique voice and heal the divisions within us and without Once we discover our authentic self we can embrace all aspects of the human experience from the earthy pleasure loving qualities that characterize Zorba the Greek to the watchful silent qualities of Gautam the Buddha We can become whole and live with integrity able to respond with creativity and compassion to the religious political and cultural divides that currently plague

our society In this groundbreaking work Osho identifies loosens and ultimately helps to untie the knots of fear and misunderstanding that restrict us leaving us free to discover and create our own individual path to freedom **Trust** Osho,2017-05-02 In Trust Living Spontaneously and Embracing Life one of the greatest spiritual teachers of the twentieth century discusses the importance of believing in our own ideals and truths and not giving in to the powerful societal influences that govern the world We live in times where trust in old institutions and their relevance to our lives have evaporated Religions ideologies political systems morals family marriages none of these traditional institutions are working anymore Osho s insight is that the institutions of the past have used the false substitutes of belief and faith as control mechanisms of society Whereas authentic trust comes from within belief systems are imposed from the outside by religious and social institutions Osho encourages readers to rediscover and reclaim the innate trust that is born with each individual No more demands to trust in an other No more faith and belief with their demands that we drop all questioning and doubt but rather a willingness to honor our questions and doubts so fully that they will lead us to our unique authentic and individual truth Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **Bliss** Osho,2016-03-01 Everyone is searching for happiness but they are looking in the wrong place outside Real happiness bliss can only be found by going inside Commenting on the ancient wisdom of the Shiva Sutras Osho shows how to avoid the outside traps of desire and attachment If you can learn the knack of dis identifying with the mind you will find that bliss is hidden within all of everyday experience Being human happens when you get out of the vicious circle called mind **Intuition** Osho,2007-04-01 Discover your own deep well of wisdom in Intuition Knowing Beyond Logic from one of the greatest spiritual teachers of the twentieth century Intuition deals with the difference between the intellectual logical mind and the more encompassing realm of spirit Logic is how the mind knows reality intuition is how the spirit experiences reality Osho s discussion of these matters is wonderfully lucid occasionally funny and thoroughly engrossing All people have a natural capacity for intuition but often social conditioning and formal education work against it People are taught to ignore their instincts rather than to understand and use them as a foundation for individual growth and development and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition In this volume Osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others and ourselves You will learn to distinguish between genuine intuitive insight and the wishful thinking that can often lead to mistaken choices and unwanted consequences Includes many specific exercises and meditations designed to nourish and support each individual s natural intuitive gifts Osho challenges readers to examine and

break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Freedom Osho,2007-04-01 Learn how to set yourself free with the philosophies of one of the twentieth century s greatest spiritual teachers in *Freedom The Courage to Be Yourself* In *Freedom* Osho outlines three stages of freedom The first is freedom from which is a freedom that comes from breaking out of what he calls the psychological slavery imposed by outside forces such as parents society or religion The next stage is freedom for a positive freedom that comes from embracing and creating something a fulfilling relationship for example or an artistic or humanitarian vision And lastly there is just freedom the highest and ultimate freedom This last freedom is more than being for or against something it is the freedom of simply being oneself and responding truthfully to each moment This book helps readers to identify the obstacles to their freedom both circumstantial and self imposed to choose their battles wisely and to find the courage to be true to themselves Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

And Now and Here Osho,2018-12-10 All our lives we are running What are we running from What is the fear The fear is that on the one hand we are unable to live fully and on the other hand the fear of death is imminent present Both things are interconnected then what is the answer Osho Most of us look for security in our relationships and in our choice of living and working conditions Underlying this search for security is a deep instinctive fear of death which continually colours our lives and drives our focus outward toward survival But we also have a longing to turn inward to relax deeply within ourselves and experience the sense of freedom and expansion this brings With this book the reader can start an exploration of his or her inner world Osho debunks the myths and misunderstandings around death and invites us to experience our eternal inner space that is now and here

Life, Love, Laughter Osho,2009-06-09 In *Life Love Laughter Celebrating Your Existence* one of the twentieth century s greatest spiritual teachers shares how humor and wisdom strengthens our lives In this collection of reflections Osho s encouraging and loving stories go far beyond the usual chicken soup fare *Life Love Laughter* establishes a new genre of introspective text stripped of all platitudes and clich s and absolutely in tune with the realities of the twenty first century In this artful work Osho mixes entertainment and inspiration ancient Zen stories and contemporary jokes to help us to find love laughter and ultimately happiness Featuring an original talk by Osho on DVD you ll experience his direct insight and wit straight from the source Osho challenges readers to examine

and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Happiness Osho,2023-10-17 Happiness is not an achievement It is your nature Osho Happiness is the twelfth title in the Osho bestselling Insights for a New Way of Living series and the first new title in the series since 2017 The popular Insights for a New Way of Living challenges readers to examine and break free of the conditioned belief systems and the prejudices that limit their capacity to live life in all its richness The books shine light on beliefs and attitudes that prevent individuals from being their true selves The text is an artful mix of compassion and humor and readers are encouraged to confront what they would most like to avoid which in turn provides the key to true insight and power The Mystery Beyond Mind Osho,

Take it Easy Osho,1979-01-01 The Beauty of the Human Soul Osho,2016-05-24 The Beauty of the Human Soul continues the AUTHENTIC LIVING series by Osho with talks by the contemporary mystic during his stay in the United States All of the Osho books are created from his extemporaneous talks and in this volume reflect the intimate setting in which they were given with small audiences of those gathered in the Oregon commune around him Everything is on the table belief in God the meaning of compassion what happens when we die In sharing stories from his own life bringing new insights to old parables and challenging his listeners to examine their own conscious and unconscious beliefs he begins to create a new and more authentic narrative about what we human beings are doing on this planet and why we are here The entire Authentic Living series is a manifesto of the priceless gift of individuality of both the freedom and the responsibility that comes with living life according to your own light free from fixed concepts and ideologies given by others whether that be parents teachers priests or politicians The challenge is to take nothing for granted leave no sacred cow unexamined And to take the courage to step into the unknown with no idea of what is going to happen with great creativity sensitivity and awareness but with no fixed ideology Osho says You have to go through a transformation and that only you can do Except you nobody can reach there And this is the beauty of the human soul that it is absolutely unavailable to anybody Your center is so protected by existence that nobody can even touch it Creativity Osho,2011-04-01 From one of the greatest spiritual leaders of the twentieth century Creativity Unleashing the Forces Within will inspire you to nurture your inner ideas and innovations and apply them in every aspect of your life As Osho points out in this book s foreword historically the creative person has been all but forced to rebel against the society But nowadays the situation has dramatically changed In today s world the ability to respond creatively to new challenges is demanded of everybody from corporate CEOs to soccer moms Those whose toolbox for dealing with life includes only what they have learned in the past from their parents and their teachers are at a distinct disadvantage both in their relationships and in their careers Making a switch from imitative and rule bound behavior to

creative innovation and flexibility requires a profound change in our attitudes about ourselves and our capabilities Creativity is a handbook for those who understand the need to bring more creativity playfulness and flexibility to their lives It s a manual for thinking outside the box and learning to live there as well Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Innocence, Knowledge, and Wonder Osho,2011-05-10 One of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities Innocence Knowledge and Wonder What Happened to the Sense of Wonder I Felt as a Child looks to each person s last state of innocence childhood to recover the ability to truly be curious Osho discusses why it is important to look to our inner child and how it can help you understand the person you have become Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world The Book of Secrets Osho,2010-09-14 The principles and practices of Tantra are revealed by one of the greatest spiritual teachers of the twentieth century in The Book of Secrets 112 Meditations to Discover the Mystery Within In this comprehensive and practical guide the secrets of the ancient science of Tantra become available to a contemporary audience Confined to small hidden mystery schools for centuries and often misunderstood and misinterpreted today Tantra is not just a collection of techniques to enhance sexual experience As Osho shows in these pages it is a complete science of self realization based on the cumulative wisdom of centuries of exploration into the meaning of life and consciousness Tantra the very word means technique is a set of powerful transformative tools that can be used to bring new meaning and joy to every aspect of our daily lives Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **The Book of Women** Osho,2014-08-05 In The Book of Women A Celebration of Women and the Female Spirit one of the twentieth century s greatest spiritual teachers discusses the importance and value of feminine strengths The woman should search into her own soul for her own potential and develop it and she will have a beautiful future Osho Osho explores the role

of women in our society Up until now he says both religious institutions and politics have remained male dominated not only male dominated but male chauvinistic This has created so many of the crises that we see in the world now brought about by excesses of ambition competitiveness and greed In these pages Osho challenges readers to reclaim and assert the feminine qualities of love joy and celebration to bring a reunion of the intellect and the heart that is so desperately needed He looks to the female spirit in all of us as a way to nurture the soul and cultivate a healthy relationship with spirituality Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

The Rebellious Spirit Osho,2023-03-20 The rebel is one who lives according to his own light moves according to his own intelligence He creates his path by walking on it Osho We have all heard of rebels those freelancers that don't care about anyone else but themselves But what if we were all to spend a little more time doing exactly that It might just be that we can begin to respond to what is happening in the world with a heartfelt need to change ourselves In **The Rebellious Spirit** Osho speaks to the spirit that lies hidden beneath our social conditioning fanning a flame strong enough to burn through layers of rubbish so that we can see with the crystal clear gaze of an enlightened being This is a book that will entice you tickle your being with laughter and give you the courage to be yourself in today's world

Destiny, Freedom, and the Soul Osho,2010-04-13 One of the greatest spiritual teachers of the twentieth century shares his philosophy on self discovery free will and the search for a place and purpose in life I myself am a question I know not who I am What to do Where to go Osho **Destiny Freedom and the Soul** What Is the Meaning of Life explores deeply human questions such as Is there really such a thing as soul and if so what is it Where does the concept of karma fit in Does my life have a special meaning or purpose Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world
