

# Plan How You'll Organize

## Living Room: Furniture

### Organize

Start with a vision for your living room: think about the atmosphere you want and the feelings you're trying to create. Next, consider your furniture layout (you can sketch your plan on the following page) and be sure to take measurements beforehand to ensure furniture fits before any heavy lifting begins.

#### 1. Optimize Furniture Layout:

- Visualize your ideal arrangement, considering traffic flow and natural focal points such as fireplaces or large windows.

#### 2. Organize Furniture Storage:

- Empty out storage compartments in furniture like side tables, coffee tables, or storage ottomans. Discard what's not necessary, relocate what doesn't belong.
- Arrange items so frequently used ones are easily accessible, and store seldom-used items neatly out of sight.
