*Case studies for human resource management is ready to disclose solution of a case which is related with two competing hotels. Under title of "HRM case study and suggested solutions" ( www.hotelmule.com ) we try to solve whole of the case:*

**Introduction:** This is case of 2 competitive hotels Beachside and sunrise that each square measure set touristy base city within the Northeast United States of America. They each have same infrastructure with sixty current of air space every and beach read. they\'re competitive for same set of gussets and same set of potential staff. There was ninety eight occupancy rate of Sunrise edifice throughout peak amount and in off peak sixty fifth for Beachside edifice its ninetieth and five hundredth severally. Joe, top dog of Sunrise edifice was operating within the position from last five years and before they become G.M he will several smart job like as screening potential staff for his job front table space, incentives originated for wonderful performance,

designed coaching and development programs. there\'s a way of cooperation at Sunrise edifice which helps everybody wish to try and do an honest job. His guest satisfaction ratings for his edifice square measure average nine out of ten and therefore the turnover rate at the Sunrise edifice is twenty fifth. In Beachside edifice Ms Blessed Virgin is time unit manager and she or he is promoted as time unit as a result of she isn\'t smart at front table space she have several altercations with the guests. The turnover of hourly staff at Beachside edifice is a hundred and twenty and since of that Ms Blessed Virgin has been busy attempting to stay up with hiring and she or he has had no time for coaching staff, guide new worker for higher performance.

### Analysis

As I actually have analyzed the case I actually have known the subsequent issues within the Beachside Hotel:

Brian United Nations agency was manager of Beachside didn\'t have any data of human resource facet of the duty. second the worker turnover of Beachside was a hundred and twentieth as against twenty fifth of Sunrise that meant that Brain had to wear down new staff when. They additionally didn\'t have any policies of coaching and development of latest staff that created it harder for them.

### Findings from analysis:

In order to begin dynamic the human capital practices at the Beachside edifice, there has to be a significant shift within the culture there.

Since Brian didn\'t have any human resources background, he shouldn\'t get entangled in hiring, coaching and will make sure that these functions square measure wont to build a stronger service culture.

Brian has to specialise in hiring the proper folks for the varied jobs at the Beachside edifice and will then work with everybody to see what it might desire get them to be glad in their jobs.

Some of the opposite human resource initiatives that would be undertaken by either or each Hotels are: regular and thru performance reviews, 360 degree feedback programs, around table discussions with staff to focus positive performance toward the objectives of the organization.
