Publisher Paper F5 Performance Management aims to develop knowledge and skills in the application of management accounting information. Students will need to have a knowledge of management accounting techniques and be able to apply their knowledge to a performance management problem. The emphasis is on practical elements and application to the real world. F5 is the middle paper in the management accounting section of the qualification structure between F2 which concerns just techniques and P5 which thinks strategically. The key syllabus areas in F5 are Specialist cost and management techniques, Decision making techniques, Budgeting, Standard costing and variances analysis, Performance measurement and control. The F5 Revision Kit contains the pilot paper and additional questions to help you to apply your management accounting knowledge in a practical context. Questions are based on realistic scenarios as they will be in the exam. Answers are presented with top tips to help you to tackle the questions. There is plenty of exam guidance to help you to maximise your chances of success in this brand new paper. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
