The Road Out of Debt + Website

A practical guide to getting out of debt and understanding the option of personal bankruptcy. The current credit and financial crisis have prompted Joan Fontney, a prominent Massachusetts Bankruptcy Judge, and Theodore Connolly, a Finance and Bankruptcy Attorney, to write a book that will help people handle their financial troubles. *The Road Out of Debt* seeks to assist those considering bankruptcy by demystifying the bankruptcy process and explaining what you can expect to gain (or lose) from it. With the insights of both a bankruptcy judge and a bankruptcy lawyer, you'll be able to determine when it's best to avoid bankruptcy, when you should seek bankruptcy protection, and, most importantly, how best to work through the bankruptcy process, if you so choose. With millions of Americans personally facing dire financial situations, job losses, home foreclosures, and other major financial challenges, no book could be more timely. An exceptional resource for anyone contemplating bankruptcy or otherwise trying to figure out how to handle their debt. Puts the bankruptcy process in perspective and reveals specific steps to follow. Discusses how to decide whether or not bankruptcy is the right path for you. Written by a well-respected bankruptcy judge and bankruptcy attorney. As more people find themselves entering financial difficulties, an increasing number of them will need information to help them through these problems. *The Road Out of Debt* provides you with the serious solutions needed to overcome a personal financial crisis.

The Contemp Prevalic

According to the United States Bankruptcy Courts, the number of bankruptcies filed each year is on the rise. People file bankruptcy for a variety of reasons, such as preventing foreclosure on their homes, preventing repossession of property, loss of employment, or reducing or eliminating debts. The most common types of bankruptcy for which individuals file are Chapter 7 and Chapter 13. Chapter 7 involves the surrender of property to pay debts, while a Chapter 13 bankruptcy allows for the retention of property but requires payments over the next three to five years. This book is divided into three sections: evaluating your need to file for bankruptcy, how to file for bankruptcy, and what to do after you have filed. In the first section, you will be provided with evaluation tools, determine your eligibility, learn how to check your credit report for accuracy, and learn about the different types of bankruptcy for which you can file. In the second section, you will learn about the major changes in bankruptcy law, bankruptcy lawyers, alternatives to filing for bankruptcy, bankruptcy code, collection agencies, exempt property, nondischargeable debts, what bankruptcy can and cannot accomplish, the automatic stay provision, foreclosures, tax levies, bankruptcy fees, the 341 meeting, bankruptcy refile, the initial consultation with your lawyer, and bankruptcy timelines. You will learn the answers to some of the most common questions about bankruptcy, such as: Will creditors stop harassing me? Will my spouse be affected? Who will know about my filing? Will I ever get credit again? What does it cost? The final section will provide a brief overview of what to do after you have gone through the bankruptcy process. We will address the issues of how to get car loans and home loans and how to build credit after bankruptcy. Whether you are filing for bankruptcy for the first time or, unfortunately, you have been through it before, *When You Have to File for Bankruptcy* will provide insight into the complex and burdensome process.
