Introducing English Grammar Magne Dypedahl, Hilde Hasselgård, 2018 *Introducing English Grammar* describes and explains English grammar in light of current usage It is aimed at students of English in teacher education and students who take an introductory course in English grammar at college university level in Norway The third edition of *Introducing English Grammar* has been revised and updated but retains the key points of the previous edition alerting learners to the close ties between grammatical form meaning and communicative function providing learners with good tools for improving their English giving practical advice through Notes for learners introducing learners to grammatical terminology so that they can make use of grammar notes from dictionaries and other sources making learners familiar with the basic clause structure of English comparing English with Norwegian in order to address specific learner problems and increase the students language awareness presenting ways of creating coherent texts that are adapted to context and purpose providing exercises focusing on practical as well as analytical skills including the use of English language corpora The book has an accompanying website with a key to the exercises at <https://integram.portfolio.no> Magne Dypedahl is Senior Lecturer in English at the University College of Southeast Norway Hilde Hasselgård is Professor of English Language at the University of Oslo

A Student's Introduction to English Grammar Rodney Huddleston, Geoffrey K. Pullum, 2005-02-17 This groundbreaking undergraduate textbook on modern Standard English grammar is the first to be based on the revolutionary advances of the authors previous work *The Cambridge Grammar of the English Language* 2002 The analyses defended there are outlined here more briefly in an engagingly accessible and informal style Errors of the older tradition of English grammar are noted and corrected and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called incorrect and show why those authorities are mistaken This book is intended for students in colleges or universities who have little or no previous background in grammar and presupposes no linguistics It contains exercises and will provide a basis for introductions to grammar and courses on the structure of English not only in linguistics departments but also in English language and literature departments and schools of education

Working with English Grammar Louise Cummings, 2018-06-21 This clear and concise introduction offers students of linguistics and English language a comprehensive overview of English grammar including word structure major and minor word classes phrases clauses and sentences Based on twenty years teaching practice Louise Cummings adopts a unique approach of using three real world contexts first language acquisition language disorders and non standard dialects as a pedagogical tool to make grammatical concepts meaningful to students and to improve engagement and understanding In seven accessible chapters students are

encouraged to develop the analytical skills they require to give a comprehensive description of the grammar of the English language A range of supportive learning aids is used including Learning objectives and section key points summaries Varied examples from world Englishes and print media Homework assignments exercises and revision questions Targeted further reading suggestions and special topics boxes A glossary of 300 entries An extensive range of online resources for instructors and students including a test bank of 140 multiple choice questions useful links and an answer key **English Grammar** Peter Collins, Carmella Hollo, 2017-09-16 This core textbook helps readers get to grips with the fundamentals of English grammar so that they can critically engage with a wide variety of texts Combining contemporary linguistic approaches with the familiar terminology of traditional grammar this lively book offers a hands on introduction to English grammar It begins by situating the study of grammar within its broader context before moving on to look at the various categories that are used when analysing texts Later chapters focus on the practical application of the skills acquired in the first part of the book This is an indispensable text for students and teachers of English language and linguistics It is also a valuable resource for those studying English as a second or foreign language New to this Edition A wealth of new material including further detail on morphology more examples and revised explanations of key terms Improved glossary and index in response to detailed user feedback Fully updated throughout to meet the needs of today's students

Introducing English Linguistics Charles F. Meyer, 2009-05-14 Are you looking for a genuine introduction to the linguistics of English that provides a broad overview of the subject that sustains students interest and avoids excessive detail Introducing English Linguistics accomplishes this goal in two ways First it takes a top down approach to language beginning with the largest unit of linguistic structure the text and working its way down through successively smaller structures sentences words and finally speech sounds The advantage of presenting language this way is that students are first given the larger picture they study language in context and then see how the smaller pieces of language are a consequence of the larger goals of linguistic communication Second the book does not contain invented examples as is the case with most comparable texts but instead takes its sample materials from the major computerised databases of spoken and written English giving students a more realistic view of language

An Introduction to English Grammar Gerald Nelson, Sidney Greenbaum, 2013-11-04 An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar and can be used in the classroom for self study or as a reference book The book is organised in two parts on grammar and its applications and provides everything a beginning student needs to get to grips with the theory and practice of English usage including sections on style punctuation and spelling This third edition has been fully revised and updated to include an expanded section on English in Use usage notes highlighting common errors updated exercises a glossary and a companion website with further graded exercises

Introducing English Grammar Introduction

In today's digital age, the availability of Introducing English Grammar books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Introducing English Grammar books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Introducing English Grammar books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Introducing English Grammar versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Introducing English Grammar books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Introducing English Grammar books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Introducing English Grammar books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Introducing English Grammar books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Introducing English Grammar books and manuals for download and embark on your journey of knowledge?
