Post Office,1903 **Resources in Education** ,1998 *The 1996 CIA World Factbook* United States. Central Intelligence Agency,2021-04-25 The 1996 CIA World Factbook serves as a comprehensive reference guide that encapsulates a vital snapshot of global information during a transformative period This meticulously curated volume blends factual data and analytical insights covering diverse topics such as geography demographics government structure economic conditions and military capacities of nations worldwide The writing style is clear and accessible reflecting the CIA s commitment to disseminating information while its organizational structure allows readers to easily navigate through complex data contributing to its status as an essential resource for researchers policy makers and general readers alike The Central Intelligence Agency established in 1947 has long aimed to provide information essential for informed decision making in the realm of national security The authors of the

1996 edition draw from a wealth of expertise and reliable sources showcasing the agency's role not only in intelligence gathering but also in educating the public about geopolitical realities. This publication emerges amidst the post-Cold War era, a time when the world was re-evaluating power dynamics and national security strategies. For anyone seeking a cogent understanding of the political and social landscapes of the mid-1990s, the 1996 CIA World Factbook is indispensable. It is a foundational tool for historians, students, and policymakers, offering a valuable lens through which to view the evolving global order at a pivotal time in history.
