Bi Notes For A Bisexual Revolution Shiri Eisner:

Bi Shiri Eisner, 2013-07-02 Depicted as duplicitous traitorous and promiscuous bisexuality has long been suspected marginalized and rejected by both straight and gay communities alike *Bi* takes a long overdue comprehensive look at bisexual politics from the issues surrounding biphobia monosexism feminism and transgenderism to the practice of labeling those who identify as bi as either too bisexual promiscuous and incapable of fidelity or not bisexual enough not actively engaging romantically or sexually with people of at least two different genders In this forward thinking and eye opening book feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention Informed by feminist transgender and queer theory as well as politics and activism *Bi* is a radical manifesto for a group that has been too frequently silenced erased and denied and a starting point from which to launch a bisexual revolution

Bisexuality Beyond Binaries Lisa Speidel, 2025-03-31 This book brings together a collection of diverse contributors to discuss bisexual erasure and biphobia and how this intersects with racism sexism ableism and transphobia Amplifying the voices of a group often unheard and erased this book explores and celebrates the experiences stories and complexities of bisexual identity providing tools to help dismantle the dehumanization of erasure move beyond the gender binary and increase visibility of multiple bisexualities Beginning by outlining key definitions labels and context each chapter addresses an identity or experience that intersects with bisexual identity such as disability masculinity femininity gender diverse identities media religion dating apps porn non monogamy intimate partner violence aging kink and sex work Each chapter begins with theoretical research before illuminating the personal narratives of bisexual people especially people of color that reflect the negative impact of bisexual erasure as well as the joy beauty and resilience of bisexuality Engaging and powerful this book will help sex therapists students and educators enhance their inclusive and supportive practices It will also be of immense interest to bisexual people so they may see diverse realities celebrating stories of resistance and joy

[It Ain't Over Til the Bisexual Speaks](#) Various, 2024-05-21 The bisexual experience is by necessity incredibly diverse we are likely to be attracted to different genders form part of multiple marginalised groups and be perceived depending on the gender of our partner in wildly different ways This anthology is a radical and ambitious attempt to capture the incredible multiplicity of bisexual identities With essays that unpack the intersectionality and conflict of bisexuality with history language sexual violence class identity religion polyamory gender critical ideology fatness trans activism the asylum system literature and anarchy this collection of bi voices demands to be heard With contributions from Shiri Eisner Hafsa Qureshi Zachary Zane Heron Greenesmith and many many more

Excluded Julia Serano, 2013-10-01 A transformational approach to overcoming the divisions between feminist communities While many feminist and queer movements are designed to challenge sexism they often simultaneously police gender and sexuality sometimes just as fiercely as the straight male centric mainstream

does Some feminists vocally condemn other feminists because of how they dress for their sexual partners or practices or because they are seen as different and therefore less valued Among LGBTQ activists there is a long history of lesbians and gay men dismissing bisexuals transgender people and other gender and sexual minorities In each case exclusion is based on the premise that certain ways of being gendered or sexual are more legitimate natural or righteous than others As a trans woman bisexual and femme activist Julia Serano has spent much of the last ten years challenging various forms of exclusion within feminist and queer LGBTQ movements In *Excluded* she chronicles many of these instances of exclusion and argues that marginalizing others often stems from a handful of assumptions that are routinely made about gender and sexuality These false assumptions infect theories activism organizations and communities and worse they enable people to vigorously protest certain forms of sexism while simultaneously ignoring and even perpetuating others Serano advocates for a new approach to fighting sexism that avoids these pitfalls and offers new ways of thinking about gender sexuality and sexism that foster inclusivity

published in 1948 Monosexual means someone who is attracted to people of only one gender 4 Bisexuality was first invented and scrutinized by hegemonic powers under the mass project of categorizing and then pathologizing various human experiences and behaviors It was later reclaimed by the bisexual movement **Bi Any Other Name** Loraine Hutchins,2010-11-26 In this groundbreaking anthology over seventy women and men from all walks of life describe their lives as bisexuals in prose poetry art and essays **Greedy: Notes from a Bisexual Who Wants Too Much** Jen Winston,2021-10-05 Named one of the Best Books of 2021 by Oprah Daily Glamour BuzzFeed and more A hilarious and whip smart collection of essays offering an intimate look at bisexuality gender and of course sex Perfect for fans of Lindy West Samantha Irby and Rebecca Solnit and anyone who wants and deserves to be seen If Jen Winston knows one thing for sure it s that she s bisexual Or wait maybe she isn t Actually she definitely is Unless she s not Jen s provocative laugh out loud debut takes us inside her journey of self discovery leading us through stories of a childhood girl crush an onerous quest to have a threesome and an enduring fear of being bad at sex Greedy follows Jen s attempts to make sense of herself as she explores the role of the male gaze what it means to be queer enough and how to overcome bi stereotypes when you re the posterchild for all of them greedy slutty and constantly confused With her clever voice and clear eyed insight Jen draws on personal experiences with sexism and biphobia to understand how we all can and must do better She sheds light on the reasons women queer people and other marginalized groups tend to make ourselves smaller provoking the question What would happen if we suddenly stopped Greedy shows us that being bisexual is about so much more than who you re sleeping with it s about finding stability in a state of flux and defining yourself on your own terms This book inspires us to rethink the world as we know it reminding us that Greedy was a superpower all along **The Bisexual Revolution** Patricia Durant,Keith Nelson,1968 **Bi the Way** Lois Shearing,2021-06-21 An essential guide for anyone who is bisexual and those looking for more information about bisexuality With first hand accounts and advice on coming out dating sex activism gender identity and biphobia this empowering book is a manifesto for bisexual people everywhere **Bisexual Imaginary** Bi Academic Intervention,1997-01-01 This collection of essays focuses on historical and contemporary representations of bisexuality both real and imagined in literature film and the visual arts They ask questions concerning what it means to desire both men and women and explores the role of bisexuality in the construction of every person s sexual identity **Bisexual Resource Guide** Robyn Ochs,2001 This guide lists 352 bi groups and 2129 bi inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section **Bi America** William Burlson,2014-04-04 Gain an in depth understanding of the unique struggles of the bisexual community To me the gay and straight worlds are exactly the same equally limited judgmental and bourgeois just mirror images of each other I truly like and overlap with some of the gay world but my roots refuse to take hold there and grow Unfortunately my well established roots in the straight world are simultaneously shriveling and dying too leaving me feeling
