Insourcing Innovation How To Achieve Competitive Excellence Using Triz:

Insourcing Innovation David Silverstein,Neil DeCarlo,Michael Slocum,2007-12-17 Innovation is central to business success yet no other aspect of business is as frustrating and out of control Instead of occurring in fits and starts and strokes of genius innovation needs to become an all the time event that s measurable reliable predictable streamlined and effective Structured innovation is a key goal for every organization whereby they more effectively meet the needs of customers and operate more efficiently Insourcing Innovation demonstrates how to transform business using the theory of inventive problem solving TRIZ along with applicable tools and techniques Providing a practical framework this book presents the tactical and strategic aspects of TRIZ its methodology and its components Real world case studies illustrate how TRIZ can be applied in an organization It also discusses how structured innovation is part of total performance excellence examining key aspects of business excellence and how they are related

Insourcing Innovation David Silverstein,Neil DeCarlo,Michael Slocum,2005 TRIZ is a methodology like Six Sigma It has grown and developed in response to a very difficult and critical business requirements the need for constant reinvention and continual innovation I see in TRIZ a method much like Six Sigma was before it became institutionalized an extremely powerful approach to meeting a critical business need that s cloaked in a little mystery and a modicum of fear I see in TRIZ a methodology like DMAIC that is greatly worthy of debate I want every business leader to read this book because it contains a message they need to hear What at first seems technical scientific and esoteric has the power to transform a corporation Also I want every scientist and engineer to read this book because it will challenge them to make the act of innovation more commonplace and effortless Foreword
