

**CALIFORNIA DEPARTMENT OF PUBLIC HEALTH  
OCCUPATIONAL HEALTH BRANCH  
CALIFORNIA SAFE COSMETICS PROGRAM  
August 2020**

**REPORTABLE INGREDIENTS LIST**

The California Safe Cosmetics Act of 2005 requires cosmetic manufacturers to disclose to the California Department of Public Health (CDPH) all products containing ingredients known or suspected to cause cancer, birth defects, or other reproductive toxicity as determined by the authoritative scientific bodies cited in California Health and Safety Code Section 111791.5. These bodies are 1) the California Office of Environmental Health Hazard Assessment (Proposition 65 List of Chemicals Known to Cause Cancer or Reproductive Toxicity); 2) U.S. Environmental Protection Agency (U.S. EPA); 3) National Toxicology Program (NTP) Office of Health Assessment and Translation (OHAT) (formerly Center for the Evaluation of Risks to Human Reproduction (CERHR)); 4) NTP's Report on Carcinogens (RoC); and 5) the International Agency for Research on Cancer (IARC).

To assist companies with reporting, CDPH has compiled this list of reportable ingredients based on lists and reports available from these organizations. Please note that the authoritative bodies are continually updating published information. For the most up-to-date guidance on reportable chemicals, please refer directly to the lists and reports available from these organizations.

Chemical Abstract Service (CAS) Registry Numbers and synonyms are provided for some of the listed chemicals. However, this guidance document is not all-inclusive. Manufacturers may still be required to report a chemical to CDPH even if a specific synonym or CAS number for an ingredient is not listed here.

Note to consumers: Not all of these chemicals are found in cosmetic products. Also, note that the likelihood of a cosmetic product leading to cancer or reproductive harm depends on many factors, including but not limited to the amount and type of exposure to chemicals in the product. The chemicals are listed here because of findings from research on the chemicals and not on cosmetic products.

For more information on the California Safe Cosmetics Program, please visit our web page at: [www.cdph.ca.gov/Cosmetics](http://www.cdph.ca.gov/Cosmetics) or call us at (877) 325-3223.

Reportable Ingredients List
