**Proceeding Of International Conference Jara-Nidanam-2021** Parul Institute of Ayurved, Parul University, Vadodara, Gujarat,2021-11-18 [Pathya-Apathya in Shalakyta Tantra: Prevention and Treatment Strategies](#) Dr. Aswathy Narayanan

,Dr. Gudipudi VSSN Sarvabhuma,2025-07-01 *JIHWA PARIKSHA: DECODING THE MIND-BODY CONNECTION IN PSYCHIATRIC CARE* DR. ABHINAY AGRAWAL,Dr. Sachin. Deva,2023-12-31 Welcome to the Ayurveda and psychiatric care world where ancient wisdom meets modern science to pursue holistic well being In this book Ayurveda and Psychiatric Care A Tongue Based Approach we embark on a transformative journey that explores the profound connection between the mind body and soul Ayurveda a system of medicine rooted in the ancient traditions of India offers a unique perspective on health and wellness It recognizes that true healing encompasses more than just the physical body it encompasses the mental emotional and spiritual aspects of our being Over thousands of years Ayurveda has developed a comprehensive approach to achieving balance and harmony within these realms providing insights that are as relevant today as they were in ancient times The field of psychiatry on the other hand focuses on the diagnosis and treatment of mental health conditions While psychiatry has made significant strides in understanding and addressing these conditions there is still a need for a more holistic approach one that considers the individual as a whole rather than just a collection of symptoms This book aims to

bridge the gap between Ayurveda and psychiatric care presenting a tongue based approach that offers a fresh perspective on mental health. The tongue often regarded as a mirror to the body can also provide valuable insights into the mind. By analyzing the qualities and imbalances observed on the tongue we can better understand an individual's mental well being and tailor treatment accordingly. Throughout the pages of this book we explore the principles of Ayurveda and their application to psychiatric care. We delve into the three doshas Vata Pitta and Kapha and their influence on mental health examining how imbalances in these doshas can manifest as various psychological states. By understanding the unique constitution and imbalances of each individual we can develop personalized treatment plans that address the root cause of mental health conditions. The integration of Ayurveda and psychiatric care goes beyond diagnosis and treatment. Lifestyle diet and emotional well being all play vital roles in our mental health and this book provides practical guidance on how to nurture these aspects of our lives. Through case studies and evidence based research we explore the impact of these factors on mental well being empowering readers to make informed choices that support their journey toward balance and harmony. It is important to note that this book does not seek to replace conventional psychiatric care but rather to complement it. The tongue based approach can be incorporated into existing treatment plans offering a more holistic perspective that considers the mind body and soul. Combining the best of Ayurveda with modern psychiatric care can unlock new possibilities for healing and well being.

Ayurvedic Prakriti: Who Am I ? Lakshmi Lakshmanan, 2025-01-01 Ayurveda holds a significant place in the health industry and its primary appeal to the global population lies in its personalized treatment approach. By understanding your Prakriti body constitution you can improve every aspect of your life. This knowledge empowers you to make optimal choices which are the cornerstones of health happiness and success. Our habits actions and behavior reflect our nature. Nurturing your nature to maintain biological rhythms through the right diet sleep and exercise as explained in this book can prevent lifestyle disorders. One size does not fit all. Similarly the same diet or exercise regimen does not work for everyone. This book will guide you in identifying the right type and amount of diet sleep exercise and even sexual activity that suits your unique constitution. Some people take longer to learn while others are naturally gifted like prodigies. This innate strength is rooted in your Prakriti. Leaning into your nature helps you uncover your life path and strengths enabling you to focus on them effectively. The book includes details about different personality traits and a personality test to help you better understand your nature. By reading this book you will be ready to embrace your uniqueness and invest wisely in your health. It is never too late to start but the earlier you begin the better the outcomes will be. Remember health is the result of customized daily habits tailored to your nature. It is a long term investment that yields great returns.
