Romans Monergism S:

Roman but Not Catholic Jerry L. Walls, Kenneth J. Collins, 2017-10-17 This book offers a clearly written informative and fair critique of Roman Catholicism in defense of the catholic faith Two leading evangelical thinkers in church history and philosophy summarize the major points of contention between Protestants and Catholics honestly acknowledging real differences while conveying mutual respect and charity The authors address key historical theological and philosophical issues as they consider what remains at stake five hundred years after the Reformation They also present a hopeful way forward for future ecumenical relations showing how Protestants and Catholics can participate in a common witness to the world *The Broadman Bible Commentary: Acts. Romans. 1 Corinthians* Clifton Judson Allen, 1970 **Journal of Biblical and Theological Studies, Issue 5.2** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2021-01-12 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **Evangelical Theology** Michael F. Bird, 2013-10-29 Evangelical Theology is a systematic theology written from the perspective of a biblical scholar Michael F Bird contends that the center unity and boundary of the evangelical faith is the evangel gospel as opposed to things like justification by faith or inerrancy The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood Using the gospel as a theological leitmotif an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian According to the author theology is the drama of gospelizing performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure **The Lutheran Synod Quarterly** ,2002 **The Quiet Ambition** Ryan P.

Tinetti,2025-11-18 Do you desire to do great things for God but feel like you're falling short? Does your life feel small, filled with endless demands, seemingly insignificant work, mundane responsibilities, or challenging relationships? If your desire to make an impact for God's kingdom collides with the limits and disappointments of everyday life, it's easy to feel restless, resigned, and discouraged. Scripture offers a better way. In one of Paul's letters, there's an unexpected paradoxical call: Make it your ambition to live quietly. In *The Quiet Ambition*, pastor and theologian Ryan P. Tinetti unpacks the rich spiritual wisdom of 1 Thessalonians 4:11-12, showing how it can help you reimagine what following Jesus looks like. Tinetti explores four key postures for living out your Christian life: Live quietly, Tend your own business, Work with your hands, and Walk gracefully toward outsiders. This call to quiet ambition frees you to embrace God's presence in the small, ordinary moments of your life. By shifting your focus from self-aggrandizing desires and internalized pressure for spiritual achievement to faithful living in the everyday, you can experience real hope and discover what it truly means to live a life that counts. Are you ready to reimagine what following Jesus looks like in your everyday life? Order your copy of *The Quiet Ambition* and start your journey today.

Unexpected Grace: An Abridged Theology of Salvation Amongst the Unevangelized Jeremiah E. Dahl,2026-02-20 What is the fate of the unevangelized? Does Scripture allow for the belief that some even many who never hear the gospel are saved, and if so, what might that look like? *Unexpected Grace* seeks to set forth the exegetical and theological foundations which support such a view. It argues both that Christian theology has the tools to account for such a possibility and that Scripture provides ample evidence to not just establish the possibility but the reality of salvation amongst the unevangelized.

Humanity John S. Hammett, Katie J. McCoy,2023-09-01 *Humanity* by John Hammett and Katie McCoy is an urgent theological study of the doctrine of humanity. The authors shed light on the philosophical, cultural, and spiritual influences that constantly challenge the dignity of human existence.

Martin Luther, German Saviour James M. Stayer,2000 The Protestant ruling classes of the pre-World War I German Empire took for granted that Martin Luther was the greatest of all German men. In the early twentieth century, however, Luther came under attack from Catholics, liberals, and socialists groups.

Other Elect Jeremiah E. Dahl,2025-05-30 An in-depth breakdown of the theological and exegetical basis for salvation amongst the unevangelized in Reformed theology. What is the fate of those who never hear the gospel? What becomes of the unevangelized? Does Reformed theology allow for belief that some even many who never hear the gospel are saved, and if so, what might that look like? Perhaps more importantly, does Scripture provide any hope for their salvation? A standard answer from the Reformed tradition is that those who never hear the gospel are simply not elect; if they were God, in His sovereignty, would have sent the gospel to them. Yet the Westminster Confession affirms the reality of other elect, those incapable of being outwardly called by the ministry of the Word. WCF 10:3. Many luminaries of the Reformed tradition, W. G. T. Shedd, A. A. Hodge, John Gerstner, Douglas F. Kelly, Philip Rollinson, Richard J. Mouw, R. C. Sproul, and others, have left open the possibility this refers to the unevangelized. Granting this possibility, how can this be squared with the rest of Reformed theology, and what

exegetical ground is there for such a view This book seeks to establish the theological and exegetical framework necessary to support such a view It argues both that Reformed theology has the tools to account for such a possibility and that Scripture provides ample evidence to not just establish the possibility but the reality of salvation amongst the unevangelized

Prevenient Grace J. Alexander Rutherford, 2020-09-20 If a plant grows with shallow roots the storms of a season will wither away and uproot it like a house built on sand a poor foundation will doom its fate But this isn't a book on botany nor on architecture foundations good roots are essential to thought structures as well as material structures In theology a bad foundation will produce results as catastrophic as bad roots or shifting sand How we think about God and His work in the world will profoundly affect how we live and work out our Christian faith This book evolved from the conviction that a prominent theological system rests on a fragile foundation It is written as a small contribution towards refounding our understanding of God's relationship with the world and our salvation on His Word The theology in question is Arminianism the foundation is prevenient grace Deep within Evangelical Arminianism lies the essential doctrine that God has acted in the life of all human beings giving them enabling grace enough to respond or reject His offer of salvation The contention of this book is that this doctrine has no biblical grounds and is rationally unfounded and that Arminianism itself stands or falls on this doctrine

The Confessional Principle and the Confessions of the Lutheran Church Theodore Emanuel Schmauk, Charles Theodore Benze, 1911 *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, 1876

Monergism or Synergism Daniel Kirkpatrick, 2018-01-11 The tensions between Calvinism and Arminianism have perpetuated Christian thought for some 500 years The concerns from both parties are legitimate Calvinists are often accused of fatalism along with holding to a troubling view of double predestination Arminians are often accused of holding to a human centered view of salvation that robs God of glory while championing human ability Could it be that many of the tensions between Calvinists and Arminians are sourced in an often overlooked issue monergism and synergism Could the same be said regarding Protestantism and Roman Catholicism concerning justification In this volume Daniel Kirkpatrick explores the specific roles of God and humans in various aspects of salvation to determine whether salvation is a work between God and a person synergism or a work of God alone monergism Building upon the framework of Aquinas the Reformers and Arminians this book examines the issue of who does the work of salvation in light of cause and effect with hopes of providing new insights on historic doctrines
