Dwellings of Enchantment Bénédicte Meillon, 2020-10-27 *Dwellings of Enchantment* Writing and Reenchanted the Earth offers ecocritical and eco-poetic readings that focus on multispecies dwellings of enchantment and reenchanted our rapport with the more than human world It sheds light on the marvelous entanglements between humans and other life forms coexisting with us entanglements that when fully perceived call onto humans to shift perspectives on both the causes and solutions to current ecological crises Working against the disenchantment of humans relationships with and perceptions of the world entailed by a modern ontology this book illustrates the power of eco-poetics to attune humans to the vibrant matter both within and outside of us Braiding indigenous with non indigenous worldviews this book tackles eco-poetics emerging from varying locations in the world It underscores the postmodernist re-mythologizing processes going on in many eco-poetic texts via magical realist modes and mythopoeia

One Foot in Eden Ron Rash, 2004-01-03 Will Alexander sheriff of a small town in southern Appalachia is baffled by a murder case with no body and no suspect and sets out to find the truth about what really happened to a local thug

Something in These Hills John M. Coggeshall, 2022-09-07 What is the something in these hills that ties mountain families to family land in the southern Appalachians This ethnographic examination challenges contemporary theory and explores two interrelated themes the duality of the southern Appalachians as both a menacing and majestic landscape and the emotional relationship to family land characteristic of long term residents of these mountains To most outsiders the area conjures images of a beautiful yet dangerous place typified by the movie *Deliverance* To long term residents these mountains have a fundamental emotional hold so powerful that many mourn the sale or loss of family land as if it were a deceased relative How can the same geographical space be both Using a carefully crafted cultural lens John M Coggeshall explains how family land anthropomorphizes metaphorically becoming another member of kin groups He establishes that this emotional sense of place existed prior to recent land losses contrary to some contemporary scholars Utilizing the voices and perspectives of long term residents the book provides readers with a more fundamental understanding of the something in these hills that holds people in place

jackets and nurses him back to health As the days pass Walter slips easily into life in the cove and into Laurel s heart bringing her the only real happiness she has ever known But Walter harbors a secret that could destroy everything and danger is closer than they know Though the war in Europe is near its end patriotic fervor flourishes thanks to the likes of Chauncey Feith an ambitious young army recruiter who stokes fear and outrage throughout the county In a time of uncertainty when fear and ignorance reign Laurel and Walter will discover that love may not be enough to protect them This lyrical heart rending tale as mesmerizing as its award winning predecessor Serena shows once again this masterful novelist at the height of his powers

The Collected Short Stories of Harriette Simpson Arnow Harriette Simpson Arnow,2005-10-11 Harriette Simpson Arnow is an American treasure Of the twenty five stories in this collection fifteen were previously unpublished Until now the short fiction of Arnow has remained relatively obscure despite the literary acclaim given to her novels The Dollmaker and Hunter s Horn These stories written early in her career for the most part reveal an artistic vision and narrative skill and serve as harbingers for her later work As Arnow fans read these early gems they will be led from gravel roads to city pavement and open layers of Arnow s development as a novelist to expose the full range of her contributions to American literature
