Sarah De Cordoba:

Sarah de Córdoba Rolande Causse, *Soci Et E de La Faune Et Des Parcs Du Qu Ebec*, 2003 Sarah es la hija mayor de una familia jud a que vive en C rdoba en el siglo XII Para ayudar a su padre con sus trabajos de investigaci n debe vestirse de hombre Es as como conoce un mundo vedado Para las mujeres Conoce tambi n a Ahmed un joven musulm n de quien se enamora profundamente sin embargo la invasi n de los almohades los obliga a separarse **Sarah de Córdoba** Rolande Causse, 2005 **The Letters of Sarah Harriet Burney** Sarah Harriet Burney, 1997 This scholarly edition presents for the first time all of the known surviving letters of British novelist Sarah Harriet Burney 1772 1884 The overwhelming majority of these letters more than ninety percent have never before been published Burney s accomplishments says Lorna J Clark have been unjustly overlooked She published five works of fiction between 1796 and 1839 all of which met with reasonable success including *Traits of Nature* 1812 which sold out within three months These letters position Burney among her fellow women writers and shed light on her relations with her publisher and her ambivalence toward her own work and her readership Her lively observation of the literary scene evinces the range and scope of her reading as well as her awareness of literary trends and developments Burney was for example remarkably prescient in recognizing and praising from the first the talent of Jane Austen and met several of the authors of her day A challenging new perspective on family matters also emerges in the letters The youngest child of the second marriage of Charles Burney and the only daughter to remain unmarried Sarah Harriet had the unenviable task of caring for her father in his later years Her letters reveal a darker side of Dr Burney and also help to round out our image of a more favored daughter Sarah Harriet s half sister and fellow novelist Frances Burney As literature Clark observes Burney s letters are arguably her best work Thoroughly versed in the epistolary arts she sought always to amuse and entertain her correspondents Burney ultimately emerges as a quiet but heroic single woman relegated to the margins of society where she struggled for independence and self respect Displaying literary qualities and a lively sense of humor the letters provide a fascinating insight into the literary political and social life of the day *Hiding in Plain Sight* Erika Denise Edwards, 2020-01-28 Winner of The Association of Black Women Historians 2020 Letitia Woods Brown Award for the best book in African American Women s History and the 2021 Western Association of Women Historian s Barbara Penny Kanner Award 2021 Finalist for the Harriet Tubman Book Prize 2020 Finalist Berkshire Conference of Women Historians Book Prize Details how African descended women s societal marital and sexual decisions forever reshaped the racial makeup of Argentina Argentina promotes itself as a country of European immigrants This makes it an exception to other Latin American countries which embrace a more mixed African Indian European heritage *Hiding in Plain Sight* Black Women the Law and the Making of a White Argentine Republic traces the origins of what some white Argentines mischaracterize as a black disappearance by delving into the intimate lives of black women and explaining how they contributed to the making of a white Argentina Erika Denise Edwards has produced the first comprehensive study in English

of the history of African descendants outside of Buenos Aires in the late colonial and early republican periods with a focus on how these women sought whiteness to better their lives and that of their children Edwards argues that attempts by black women to escape the stigma of blackness by recategorizing themselves and their descendants as white began as early as the late eighteenth century challenging scholars who assert that the black population drastically declined at the end of the nineteenth century because of the whitening or modernization process She further contends that in Córdoba Argentina women of African descent such as wives mothers daughters and concubines were instrumental in shaping their own racial reclassifications and destinies This volume makes use of a wealth of sources to relate these women s choices The sources consulted include city censuses and notarial and probate records that deal with free and enslaved African descendants criminal ecclesiastical and civil court cases marriages and baptisms records and newsletters These varied sources provide information about the day to day activities of Córdoba s society and how women of African descent lived formed relationships thrived and partook in the transformation of racial identities in Argentina

LisaA.
