Drugs and the American Dream Patricia A. Adler, Peter Adler, Patrick K. O'Brien, 2012-02-28 Drugs and the American Dream presents an up to date anthology of chiefly contemporary readings that explore the myriad sociological correlates of licit and illicit drug use in the United States Unique approach to the topic that offers an organizing theme of sociological concepts age social class ethnicity gender as well as societal response to drug use including drug education treatment and policy The book is interdisciplinary in terms of approach making it useful in a variety of contexts Includes a wide array of ethnographic articles that place reader directly into the perspectives of drug users through their own voices Brief framing introductions to each article provide interconnective tissue guiding the student to the heart of what is important in the piece that follows Offers a balanced approach to various substances tobacco alcohol prescription drugs and illegal drugs Provides students with a realistic perspective on the extent of substance use in American society as well as a critical appreciation of the real versus imagined harms associated with use of various substances

An Applied Visual Sociology: Picturing Harm Reduction Stephen Parkin, 2016-04-15 Exploring the value of photography and video as legitimate forms of social enquiry An Applied Visual Sociology Picturing Harm Reduction constitutes a guidebook for conducting applied visual sociology within health related or social science research projects providing a full account of the visual research journey and presenting a tested template for conducting theoretically driven sociologically informed research Against the background of the growing popularity of visual methods this book goes beyond using photographs for illustrative and descriptive purposes to emphasise the importance of sociological epistemological and analytical theory together with methods of data collection and the presentation of images for applied purposes As such An Applied Visual Sociology Picturing Harm Reduction offers a template for considering visual data as applied research providing a full account of the manner in which visual methods can inform research and specific interventions together with opportunities for students and practitioners to consider applied visual sociology in a series of practical or self study tasks It will therefore appeal not only to students and researchers involved in social and health related qualitative research or those seeking to conduct innovative visual projects within the social sciences but also to scholars interested in research methods visual ethnography and harm reduction approaches to drug use

Habitus and Drug Using Environments Stephen Parkin, 2016-04-22 Informed by the thought of Pierre Bourdieu and framed by the philosophy of harm reduction Habitus and Drug Using Environments provides a sociological analysis of public environments affected by injecting drug use Drawing on ethnographic research across several locations this book offers a qualitative and phenomenological account of the social organisation of public settings used for the preparation and administration of illicit drugs informed by interviews with both injecting drug users and those

whose employment is directly affected by public injecting drug use With attention to current policy related questions concerning the lived experience of place upon the health of injecting drug users how wider social structures contribute to participation in public injecting and the manner in which participation in public injecting amplifies drug related harm *Habitus and Drug Using Environments* sheds light on the ways in which health and place interact to produce and reproduce already established hazards associated with injecting drug use As such it will be of interest to sociologists geographers criminologists and policy makers working in fields such as drug use risk behaviours and their relation to place and health studies *The Routledge Handbook of the Politics of the #MeToo Movement* Giti Chandra,Irma Erlingsdóttir,2020-11-26 Since the MeToo hashtag went viral in 2017 the movement has burgeoned across social media moving beyond Twitter and into living rooms and courtrooms It has spread unevenly across the globe with some countries and societies more impacted than others and interacted with existing feminist movements struggles and resistances This interdisciplinary handbook identifies thematic and theoretical areas that require attention and interrogation inviting the reader to make connections between the ways in which the MeToo movement has panned out in different parts of the world seeing it in the context of the many feminist and gendered struggles already in place as well as the solidarities with similar movements across countries and cultures With contributions from gender experts spanning a wide range of disciplines including political science history sociology law literature and philosophy this groundbreaking book will have contemporary relevance for scholars feminists gender researchers and policy makers across the globe **Cultural Anthropology** Serena Nanda,Richard L. Warms,2023-05-12 Cultural Anthropology integrates critical thinking explores rich ethnographies and prompts students to think creatively about today s culture and society Authors Serena Nanda and Richard L Warms show how historical studies and anthropological techniques can help readers reflect on the nature structure and meaning of human societies Updates to the Thirteenth Edition include a new chapter on race and ethnicity emphasis on areas such as inequality power gender race and history discussions of issues around medical care and public health and new features that reflect changes in world culture This title is accompanied by a complete teaching and learning package Learning Platform Courseware SAGE Vantage is an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support It s a learning platform you and your students will actually love Assignable Video with Assessment Assignable video available in SAGE Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site

addicted.pregnant.poor Kelly Ray Knight,2015-09-17 For the addicted pregnant and poor women living in daily rent

hotels in San Francisco's Mission district life is marked by battles against drug cravings housing debt and potential violence In this stunning ethnography Kelly Ray Knight presents these women in all their complex humanity and asks what kinds of futures are possible for them given their seemingly hopeless situation During her four years of fieldwork Knight documented women's struggles as they traveled from the street to the clinic jail and family court and back to the hotels She approaches addicted pregnancy as an everyday phenomenon in these women's lives and describes how they must navigate the tension between pregnancy's demands to stay clean and the pull of addiction and poverty toward drug use and sex work By creating the space for addicted women's own narratives and examining addicted pregnancy from medical policy and social science perspectives Knight forces us to confront and reconsider the ways we think about addiction trauma health criminality and responsibility

Criminal Justice and Criminology Research Methods John J. Brent, Peter B. Kraska, 2020-12-30
Criminal Justice and Criminology Research Methods Third Edition is an accessible and engaging text that offers balanced coverage of a full range of contemporary research methods Filled with gritty criminal justice and criminology examples including policing corrections evaluation research forensics feminist studies juvenile justice crime theory and criminal justice theory this new edition demonstrates how research is relevant to the field and what tools are needed to actually conduct that research Kraska Brent and Neuman write in a pedagogically friendly style yet without sacrificing rigor offering balanced coverage of qualitative quantitative and mixed methods With its exploration of the thinking behind science and its cutting edge content the text goes beyond the nuts and bolts to teach students how to competently critique as well as create research based knowledge This book is suitable for undergraduate and early graduate students in US and global Criminology Criminal Justice and Justice Studies programs as well as for senior scholars concerned with incorporating the latest mixed methods approaches into their research

Opioids Maia Dolphin-Krute, 2018 An epidemic is a feeling set within time as much as it is a matter of statistics and epidemiology it is the feeling of many of us desperately in the same place at the same time Opioid epidemic thus names a present historic and historical moment centered on the substance of opioids as much as it names the urgency of all of us who are currently in proximity to these substances What is the relationship between these historic and historical moments the present moment the history of pharmacological capitalism and a set of repeated neurological activities and human loss and desire that has fueled the exponential rise in the rates of opioid use and abuse between 2000 2018 Opioids Addiction Narrative Freedom is an auto ethnography written from deep within biologically within this opioid epidemic Tracing opioids around and through the bodies governmental and medical structures they are moving and being moved through Opioids is an examination of what it means to live within an environment saturated with a substance of deep economic political neuroscientific and pharmacological implications From exploring media coverage of the epidemic and emerging medical narratives of addiction to detailing the legal inscription of differences between pain patients and people addicted to drugs Opioids consistently asks what is it like to live within an epidemic What forms of freedom

become possible when continually modulated by our physical experiences the material proximities of an epidemic How do you live with something for a long time
