**Language and Literature Teaching in India** S. R. Ganguly,L. S. Ramaiah,2000 Description English came to India with the  
 East India Company in the seventeenth century Lord Wellesley consolidated the rule of the East India Company around 1820  
 with his victories over the Marathas and Tipu Sultan Hence the times were propitious for the introduction of English  
 language in India in education and administration The two landmarks for the English Language Teaching in India were the  
 famous Minute on Indian Education 1835 by Thomas Babington Macaulay and The Wood's Despatch 1858 by Charles Wood  
 Thereafter English became the most important subject of higher study in India Much was written about the study and  
 teaching of English Language and Literature in India both by the natives and English men English Language teaching even  
 after achieving Independence 1947 is continuing as an important subject of study as India's window on the world In spite of  
 the importance of the subject there has been no bibliographical control Bibliography and documentation are important tools  
 to provide the total intellectual output that was written and published in the field They reveal the strengths and weaknesses  
 of the subject They are the pathfinders for the further study and research of the study Lack of these tools is a bane to the  
 teachers and scholars There is no bibliography so far on English Language and Literature teaching in India The editors with  
 their long experience at CIEFL undertook this arduous work to fill in the gap It is a happy thing that this reference tool is  
 published on the occasion of the completion of 40 years of the establishment of the Central Institute of English and Foreign  
 Languages Hyderabad and the Silver Jubilee of its deemed university status It is hoped that this bibliography will be of great
