Cengage Learning, David H. Barlow, 2017-04-27 This first South African edition of *Abnormal Psychology: An Integrative Approach* offers students a local version of this well known text by David Barlow and V Mark Durand. Balancing biological, psychological, social, and cultural approaches, the groundbreaking integrative approach followed is the most modern, scientifically valid method for studying abnormal psychology. This edition successfully blends local and sophisticated research and an accessible writing style with the most widely recognised method of discussing psychopathology. Going beyond simply describing different schools of thought on psychological disorders, the authors explore the interactions of the various forces, both global ones and those unique to South Africa and Africa that contribute to psychopathology. Furthermore, this South African edition includes a perspective on positive psychology and well-being in the context of psychopathology. **Abnormal**
