Accounting: Business Reporting for Decision Making, 7th Edition Jacqueline Birt, Keryn Chalmers, Suzanne Maloney, Albie Brooks, Judy Oliver, David Bond, 2020-01-21 The seventh edition of Birt's Accounting textbook is designed for the core accounting unit in a business or commerce degree. Many students who plan to major in soft side disciplines such as marketing or human resource management need a clear and accessible text that emphasises the relevance of accounting to business. The Accounting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Ernst Young, animated work problems and questions with immediate feedback. Birt's unique resource can also form the basis of a blended learning solution for lecturers.

EBOOK: Management Accounting, 7e Carsten Rohde, Karen Mustard, 2024-09-23 Management Accounting is a market leading textbook that offers comprehensive coverage of cost and management accounting, understanding information for decision making, planning and controlling budgets and reporting and understanding performance management in a strategic context. The much anticipated seventh edition places special emphasis on employability skills and spotlights latest environmental, social and governance considerations. The book offers a balanced discussion of management accounting theory and practice and has been tailored specifically to courses across the UK and Europe. Retaining its student friendly writing style and practical approach, it is the ideal text for students studying management accounting from introductory through to advanced levels.

Key Features: Clear user friendly style. Focus on Practice boxes in every chapter illustrate precisely how management accounting theory affects companies using examples from well known companies and industry sectors. Management Accounting in Action dialogues demonstrate topical issues in real world scenarios. Chapter links throughout provide quick cross referencing to show the connections between topics. Review Questions designed to test you on material learned in a more formal style. New to this Edition: Brand new Focus on Practice boxes based on the CGMA Competency Framework to showcase the variety of job roles within the field of accountancy and to highlight key skills they may require. Updated discussions and new sections on sustainability and corporate social responsibility, big data and data analytics, risk management post COVID 19 and graphing skills. Fully updated questions, exercises, problems and cases are categorized by level of difficulty to offer progressive learning for students. Applying Excel Exercises have been expanded to further support student Excel skills.
