*Assessing English for Academic Purposes* George M. Blue, James Milton, Jane Saville, 2000 A concern for quality and the growing number of international students have made the assessment of English for Academic Purposes a prime concern in British universities By drawing on the expertise of BALEAP and many EAP specialists this collection describes and critically evaluates current issues and debates in the field An introduction provides an overview of the state of assessment in EAP and this is followed by sections which investigate in depth individual issues such as the validity of commonly used tests the utility of computer test batteries and other non traditional forms of assessment Also addressed with original research data are the varying requirements of individual departments students views of assessment and self assessment instruments These issues are relevant beyond the individual circumstances of British universities and should inform good practice not only in the UK but anywhere where students receive part or all of their education in English as a second or foreign language *Oxford Grammar for EAP* Ken Paterson, Roberta Wedge, 2018-04-27 Put theory into practice with with exercises which test your knowledge and challenge your understanding [English for Academic Purposes - Oxford Handbooks for Language Teachers](#) Edward de Chazal, 2014-04-10 Gives an up to date overview of the research into English for Academic Purposes and discusses key concepts *4 Point Speaking for Academic Purposes* Robyn Brinks Lockwood, Keith S. Folse, 2017-03-17 The 4 Point series is designed for English language learners whose primary goal is to succeed in an academic setting Academic English learners need skills based books that focus on reading listening and speaking as well as the two primary language bases of vocabulary and grammar The ultimate goal is to help your students improve these skills and earn a 4.0 GPA The Introduction to English for Academic Purposes EAP level is designed for students in academic programs who need a more general introduction to authentic academic content The discrete skills volumes are designed for programs and courses that want to more intensively focus on key strategies and authentic academic content in one skill area Each 4 Point volume covers academic skills while providing reinforcement and systematic recycling of key vocabulary issues and further exposure to grammar issues These volumes focus very heavily on vocabulary because language learners know that they are way behind their native speaker counterparts when it comes to vocabulary Each book highlights key vocabulary items including individual words compound words phrasal verbs short phrases idioms metaphors collocations and longer set lexical phrases

Speaking for Academic Purposes is an introductory textbook containing English for Academic Purposes content. Each unit includes activities to strengthen a range of speaking skills notably understanding classroom discourse using academic language functions recognizing signal words and phrases and synthesizing information. These activities are presented within the context of one field of academic study: Architecture, Marketing, Earth Science, U.S. History, Chemistry, and Fine Arts per unit. Unique to this speaking text are six videos showing common student interactions. Access to the videos is free. Each unit includes three academic speaking strategies including one specific to making presentations and tasks that involve participating in group discussions, interacting with native speakers, and making a presentation. The goal is to provide students with a variety of strategies/tools to master academic situations in which they need to participate.
