

Guided Reading Activity

The Vietnam War, 1954–1975

Lesson 2 Vietnam Divides the Nation

Review Questions: Outlining

DIRECTIONS: Read the lesson and complete the outline below. Refer to your textbook to fill in the blanks.

- I. The Antiwar Movement Emerges**
- A. As the Vietnam War dragged on, support waned because many believed that the Johnson administration was not telling the truth about the war.
 - B. Many Americans believed a credibility gap existed because of inconsistencies between what was shown by media and what the administration said about the war.
 - C. Students and teachers at universities held teach-ins to explain why they opposed the war, while many protesters focused on what they thought was an unfair draft system. Most of the soldiers were working-class and minority youths.
 - D. As the war went on, many young men burned their draft cards while an estimated 500,000 refused to go.

Many soldiers argued that if they were old enough to fight, they were old enough to vote. The 26th amendment gave 18-year-olds the right to vote. Antiwar activists and peace activists supported the antiwar movement and opposed the war.

II. The Peace Year

- A. South Vietnam accepted an unconditional ceasefire and South Vietnam. This attack, called the Tet Offensive, was repelled. Americans, however, were stunned that an enemy army defied their search for a large-scale attack.

On March 31, 1973, Johnson ordered the nation with the ambassadors that he would not seek reelection.

The administration named the nation MLK Jr. 1968

- A. Robert Kennedy was appointed to be in the lead for the Democratic Party nomination for president in the primary election. Republican candidate Richard Nixon was elected to the White House office in the country.
