

**OBJECTIVES**

- 1. Understand the structure of the health plan as a business, including its components and its various health insurance products, and the various ERAs associated with all products and services provided by the plan.

**Learning Objectives**

Students who successfully complete this health plan assignment will:

- 1. Explain the difference between the business structure of the health coverage ("the business") and the medical, hospital, and medical/surgical benefits provided with the business, including the particular medical services to which it pertains and the structure of the health coverage as "the plan of coverage" provided to members of the plan.

Students will complete this assignment and submit a final report that explains the operation of the health plan that illustrates the structure of the business and the plan.
